Sir,

With reference to your No. 446
dated 10th July 1889, I have the honor
to inform you that I am unable
to accept your offer of Rupees 400/- for
the Blake's Stone-Breaker.

The book value viz. Rupees
663/- is only half its original cost,
to

so that I do not think the Madras
Government would approve of my
selling it, at a heavy loss.

SIR,

I am enclosing a copy of letter No. 15
dated 15 July last, from the General Superin-
tendent of the Madras P.W. Workshops to the
address of the Executive Engineer, Coorg Division.
I am directed to enquire whether the sum of
Rs. 1000 suggested by the Exec. Engineer
for the stone-breaking-machine referred to
in the letter would be accepted by the
Government of Madras.

I have the honor to be

certained and reported
whether the Harbour Trust
Board or the Municipality
regain the machine, and
if so, whether a better price
can be obtained for it
than that offered by the
Congo Administration.

Sir,

In reply to your
letter No. 644 dated
17th ^{October} ~~September~~ 1889, I am
pleased to state that
this Government is not
disposed to accept
a lower price for the
stone breaking machine
required to, than the
£663, which is nearly
the cost at which
it was obtained
from England.
