From the Surgeon General with the
of Madras, to the Secretary to Government, India
Department, No 388, dated Fort Saint George, 2nd
May 1890.

With reference to your Memo. No 2868, dated
the 24th instant herewith returned with its annex.
I have the honor to observe that unless Senior
Apothecary Wright occupied the quarters after his
retirement from the service he does not appear
to me to be liable for payment of rent from 7th
to 31st January 1890.

2. As regards the proposal of the Engineer
Public Works Accounts, in paras. 2 of his Office
that suitable notice of intended retirement
medical subordinate should be given to the
either by the subordinate himself or by his dep-
artmental superior, I have the honor to say that
my opinion the adoption of this course will
materially improve matters. A medical sub-
is entitled to quarters up to date of his being
off the effective strength, and it will be seen from
para. 243, India Army Regulations, Volume VI,
that this date cannot be foreseen either by the
subordinate or by his departmental superior. The
present case is one in point. Mr. Wright was
invalided and relieved of his duties in the beginning
of November 1889 but his retirement did not
effect till 7th January 1890 - so that even if
given timely notice of his intended retirement
the Public Works Department, the present
difficulty could not have been avoided in
much

as the Executive Engineer would not have been
to give the usual monthly notice to the owner
house in the absence of any information
when the house likely to be vacated.

2. From the explanation therein appended,
it will be observed that it is impracticable to adopt
the suggestion contained in para 2 of the office note
recorded by the Examiner Public Works accounts, N^o

to that disposed of in the Public Works Department

ment of his having done so, the Controller
