GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers :—

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezvada, 29th April 1890, No. 292 K.S.

In forwarding, herewith, copies of this office letter, No. 2740 K.S., of the 18th March 1890, to the Examiner, Public Works Accounts, and his reply thereto, No. 2160 of the 16th instant, regarding the purchase and watering of tatties during the hot weather, I have the honor to request you will be good enough to sanction the purchase of tatties for my office, as also watering charges at Rs. 5 per mensem for the months of April, May and June.

2. Please also inform me if the sanction of Government is to be obtained every year for the above recurring charges.

ENCLOSURES.

From the Superintending Engineer, II Circle, to the Examiner, Public Works Accounts, dated 18th March 1890, No. 2740 K.S.

I have the honor to enquire if tatties can be purchased for the use of my office during this hot weather under para. 832 B of the Public Works Code, i.e., S.O. No. 563 of 1888, and what is the maximum amount allowed for tattie-watering per mensem. Please also let me know if sanction of Government is necessary for the above charges.

2. I am aware that punkah-pulling is not allowed at Government expense in the mofussil stations, but do not find any clear rule under which the charges for tatties and tattie-watering cannot be incurred. I make this reference, however, to have the matter definitely settled.

From Major C. H. P. CHRISTIE, R.E., Examiner of Public Works Accounts, to the Superintending Engineer, II Circle, dated Madras, 16th April 1890, No. 2160.

With reference to your letter, No. 2740 K.S., dated 18th March 1890, I have the honor to state that Public Works Code para. 832 B, on the subject of pulling punkahs and watering tatties is not very clear, but the intention seems to be to restrict charges for tattying to offices at the Presidency town. I would suggest that you should refer the question for the orders of the Government, if you think that this is not the intention.

G.O., dated 6th June 1890, No. 406, Public.

Read—the following paper :—

From the Public Works Department, dated 8th May 1890, No. 99 D.

Order—dated 6th June 1890, No. 406, Public.

Charges on account of watering tatties are admissible in the Civil Department from 1st May to 31st August in each year, under G.O., No. 1346, dated 5th October 1881, or from any other date on which the hot weather may begin in the several districts, provided that the total period for which the charge is admitted does not exceed four months—*vide* G.O., Public, No. 206, dated 4th April 1882.
