No. 431

Superintending Engineer's Office,

3RD CIRCLE.

Bellary 22 May 1890.

FROM

Col H. Smalley R.R.

SUPERINTENDING ENGINEER,

IIIRD CIRCLE.

To

THE Chief Engineer

P. H. Dept.

Madras

Sir,

Enclosures.

You have remarked in my
V. 1669 CD 18.13.90 Inspection report of the Executive
Engineer's Office Bellary Division
dated 3-3-90 that a special report
should be submitted if it is considered
that the status of the office should
be raised.

Bellary is now a 3rd class office, the
extra clerk for Military Works granted
in G.O. No. 8038 dated 21st March/88 has
now been withdrawn from 1st April/90
on transfer of these works to the Military
Works Department. Buddapah is a 2nd
class office, and Kurnool is a special
office. Buddapah deals with one Collector-
-pate only, Bellary with two viz Bellary
and Anantapur; Kurnool with two viz
Kurnool and Buddapah. The Budget

grants

grants for the current year are

Imperial Civil Works — Rs 6200

Provincial — "116330

Irrigation including
cess fund — "303102

Total — Rs 425632

These grants are for
the whole Circle.
The grants sanctioned
upto date are as shown
below.

Bellary 1,67,388

Cuddapah 86,135

Kurnool 1,47,439

It is true Bellary has lost the Military
Works but it will be seen that a much
greater activity is contemplated in
future in irrigation & other heretofore
and many civil buildings are re-

quired all over the division chiefly
in Anantapur. Collectorate which is
worse off in this respect than any of
the other Collectorates in this Circle.
With works scattered over such a vast
area as the Collectorates of Bellary
and Anantapur together. Correspondence
is necessarily heavy. The office is
not and has not been in a satisfac-

tory state for years past owing to
want of hands. The records are in
bad order. Unanswered references
have been allowed to accumulate
till they are unmanageable. If
Cuddapah is considered worthy of being

Note. All the buildings
proposed to be constructed
when Anantapur was
separated into a District
have almost been
completed. If at all
there are any, they
will only be few.

There is not the least probability that
the grant for the Bellary
will ever be as large as that for other
1st class Dns in the
Presidency.

classified as a 2nd class office (I do not
say it is not) Bellary should be classed
as a 1st class office. Now that the
Deputy Secy. has been given up in the
Kurnool Canal it would not detract
for the efficiency of the Kurnool
Office to withdraw one clerk at least
from it and to give him to Bellary.

I have the honor to be
Sir

Your most obedt servant

H. Smalley Chd.

No. 431

Subject.

Reporting upon the
status of the Bellary
Division office in
answer to Chief Engineer's
remarks on Supty Engr's
Inspection Report of the
Bellary Dn.

Memo No 1696 of 18.3.90
fr. No 9404 of 28.2.83
memo No 3823 of 26.8.89
3136 of 9.7.89

No 1696 of 18 June 1890

C. No 4909

1696 of 18 June 1890
1696 of 18 June 1890
1696 of 18 June 1890
In the accompanying
letter from the
Supty Engr IIIrd Circle
it is proposed that
the status of the
Bellary Division be
raised from a IIIrd
to a IIrd class Dn.

The Supty Engineer
considers that the
change of all works
in the Bellary and
Anantapur Collectors
Divisions involves
on this Division that
the construction of
many civil buildings
is necessary especially
in the latter Collectors
and that there is
every probability
of a large increase
in

*ment for the
revision*

POPAON
 in case it owing to
 irrigation works
 about to be con-
 -stanted or under
 construction. In a
 comparison, however,
 of the current
 year's grant (ie the
 total grant under
 all funds) to the
 Bellary Division
 with those of
 other divisions,
 it is found that
 a sum of Rs 1,67,388
 only has been
 assigned for expend-
 iture in the Bellary
 Division whereas
 in the T. Clars
 division of the
 Mysore Division,
 Kolar Division,
 Chitaloor, North
 Coast and South
 Arcot Divisions,
 the grants for
 expenditure

16th June 1890
 expenditures are
 respectively, Rs
 Rs 3,22,633
 " 2,42,972
 " 3,44,884
 " 1,41,907
 and 3,00,113
 as these grants
 are much in excess
 of that allotted
 to the Bellary
 and as it is not
 likely that the
 grant to this Div-
 will be increased
 Very largely, it is
 considered that
 sufficient reasons
 do not exist for
 sanctioning the
 Supty Engineer's
 proposals, but
 as that officer
 is of opinion that
 a clerk may be
 transferred from
 the Revenue to

to the Bellary
Sanction to the
transfer is sub-
mitted for approval
with the remark
that the transfer
of the clerk to
the Bellary Da
will have the
desired effect
of raising the status
of that division
without causing
any additional
expense to the
State.

10/12/40
12/16/40

No. 1696 w.d/18 June 1890

PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the S. E. III Circle No. 431, dated 22nd May
1890.

16/6/90

11/6/90
15 June

As the Government
is not prepared to
sanction any additional
establishment in
order to raise the
status of the Bellary
Division to that of
a 1st class division,
the suggestion of
the Supty Engineer
to transfer a clerk
from the Ruanool
to the Bellary Da
is approved, and
the Supty Engineer
will submit a
proposition state-
ment for the
revision

22.3 w/s

revision of the
establishments
attached to the
two divisions
