Sir,

ENCLOSURES.

I have received a letter from Major Campbell stating that he is willing to exchange Circles with me & in fact would prefer Trichinopoly to Coimbatore.

2. I hear also from Col. Pennington that he is anxious to start next season work at the Perias & if he is allowed to do so, he will not leave that charge until July next.

3. I have therefore the honor to request that as it will be a great convenience to me Major Campbell

and I may be permitted to exchange
circulars, I am willing to bear all
cost of the transfer, to save
Major Campbell any incon-
venience & would of course
vacate the place if later on,
it is in the interest of the public
service, found expedient that
I should do so -

I have the honor to be

From the Supt. Engineer VI Circle to 8247C. 74.12.89
Note sent to C. I. for P.W. to 853 of 11.12.89.

In my opinion
a) Col. Brothman should
have choice of circles before Col.
Smith.
b) He has been in command, and
therefore even if it be six months
before the new Secretariat arrange-
ment come into force, Col. Smith
should remain where he is. Other-
wise there will be unnecessary
inconvenient changes.

With reference to E.I.'s note
I may say that I have not
altered my desire to go to IV
Circle when the
new Secretariat
arrangement come
into force next year. Recd
