No 9546

Supy. Engineer's Office,
2nd Circle.
15th May 1890.

From,

J. Hannan Esquire,
Superintending Engineer,
II Circle.

To,

The Chief Engineer,
Public Works Department,
Madras.

Sir,

As promised in para 5 of this
Officer's letter No. 50 G.D. of the 5th instant,
I have the honor to forward herewith
a statement of proposition for revision
of the permanent Establishment of the
Nellore Division, and to request you
will be good enough to obtain the
sanction of Government to the same.

2. The Nellore Division has been
classed as a 2nd class Division for
several years past. Since the addition
of the Languam Ancient Works to this
Division, it has more work to do,
and is in point of work equal to
the Kistna Western and Buckingham
canal Divisions, which have been
classed as first class Divisions.

3. The difference between the
2 classes is only a clerk 4th class

1st Grade on R.D. 40 to 50, I request
that this clerk may be sanctioned
permanently to this Division.

4. Should the reduction in
accounts work according to recent
orders necessitate a reduction,
I would suggest that the Assistant
Accountant and the Cashier applied
for under Temporary Establishment,
may not be sanctioned.

I have the honor to be,

Sir,

Your most Obedt. Servt.

J. H. Annan
