Sir

In acknowledging the receipt of G. O.
N^o 9944 dated 28 March 1890 communicated
to me with your endorsement N^o 373 dated
22^d April 1890, I have the honor to request
that you will be good enough to address
Government again on the subject of the
continuance of the temporary establish-
ment applied for in my letter N^o 3288
dated 14 October 1889.

2. The transfer of the Military works
from this Division has apparently influenced
Government in arriving at the conclusion
that the establishment applied for by me
is excessive, but I beg respectfully to
submit that the circumstances of this
Division seems to me to be exceptional
and calling for exceptional treatment.

3. The transfer of Military works from
this Division has only very slightly reduced
the office work of the Division while
the many works in progress in connection
with Tank Restoration Scheme have
entailed an amount of extra clerical

work
