SUPERINTENDING ENGINEER'S OFFICE,

V Circle, Madras,

Chopāk, 21 May 1890.

From

Lt Col. H. B. Clarke, R.E.,

Off. SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer
P.W. Department

SIR,

Enclosures.

With reference to your letter of 21/28 of 6 May, calling for a report on the subject matter of the Examiners' Office No. 2322 of 24 April 1890, I have the honor to inform you that the General Superintendent P.W. Workshops & Stores

1st Item. Rs. 9-10-00.

states that the 1st Item is the value of the coke supplied to the Brass casts employed by the Workshops - this charge cannot be regarded as work done for any private person - as the Examiners would appear to prescribe it. The amount or value of coke is repaid by the said man regularly each month, on his being paid for all such work as he may have completed during the past month.

2. Item. Repees 49-1-11

This work consisted of new
Office Box, which I as General
Superintendent, undertook to have
turned out for Col. Tomkins. R.E.
Superintending Engineer Military Works,
and the said Bill would have
been adjusted during the month,
had not that Officer suddenly
left Madras for Burmah or elsewhere
and apparently forgot all about
it until he returned to Madras
late on.

I have the honor to be
Sir

Yours Most Obedt Servt

James S. P. O.

To W.

Returned with the following re -
marks:-

Item 1. Rs.9-10-0.

2. This item was distinctly, but ap-
parently erroneously shown in the ac-
counts as "work done for outsiders". If
it had not been so shown it would not
have been objected to.

Item 2. Rs.40-0-0.

3. The irregularity consisted in
putting the work in hand without pre-
payment of deposit, and the transaction
would apparently have been equally irre-
gular if Colonel Tomkins had paid the
amount before leaving Madras.
