Madras State Railway Survey
Executive Engineer's Office
Bangalore - 3rd November 1886

This is to certify that Mr H.P. Shepherd
served with the Madura Paumotu
Railway Survey Party for four months.

He is an experienced and careful
leveller - His conduct has always
been steady and he has always been
hard working and painstaking.

I can thoroughly recommend
him to any one who requires a
thoroughly good leveller and surveyor
and I understand that he is too a good
practical workman - On this latter
point however I have had no personal
opportunity of judging.

Mr H.P. Shepherd has served on this
Survey Since August 1885 -

He was principally engaged on
levelling - and is unquestionably
a very neat and accurate leveller.

His other work also both in the
field and in the office was very
Satisfactory, all very carefully and
well carried out.

Copies of Testimonials

The Magistrate 24 Pergunnahs referred to me about you, and I gave him a good account of Mr. Shepherd's work and steadiness.

(Sd.) H. LEONARD,
Chief Engineer and Secretary to the
Government of Bengal,
P. W. Department.

Public Works Bengal,
Calcutta 20th June 1871.

Mr. Shepherd was employed under me on the Hooghly Improvement works for about a year. I found him a careful attentive man; he would I think give every satisfaction in any appointment for which he is qualified.

(Sd.) H. LEONARD,
Chief Engineer and Secretary to the
Government of Bengal,
P. W. Department.

Moyapore, 16th July 1869.

This is to Certify that Mr. Shepherd served at the Moyapore Shoal Works as River Surveyor from November 1868 to 16th July/69.

During that time he gave every satisfaction and worked day and night sometimes when work was urgently required.

He also made a survey of the Reach from Ombobaria to Moyapore.

It would give me much pleasure to hear Mr. Shepherd obtained a permanent appointment from Government as a Surveyor or Sub Engineer as I feel sure he is fully qualified to hold either post.

He has had experience in roadmaking, bridge building, brick making, lime burning &c. and is a neat draughtsman, and understands working from Plans &c.

(Sd.) R. H. HEENAN,
Assistant Engineer,
Moyapore Shoal Works.

Mr. Shepherd has been employed by me in making surveys and levels of portions of the Hooghly district required for the endemic fever investigation. He is a very intelligent and accurate surveyor and leveller; plots his work well and neatly, and carries out the instructions given to him with great care and attention. He is very industrious and hard working and it affords me much pleasure to bear testimony in his favor, and to recommend him strongly to any one requiring his services.

(Sd.) Charles C. ADLEY C. E.
Executive Engineer,
on Special duty.

Mr. Shepherd has been employed by me to make a map on a large scale of this city and suburbs and to take a series of levels within the same limits.

The map includes all small lanes and passages & was a work of some difficulty.

Mr. Shepherd has on the whole performed this work to my satisfaction.

From 1739 Mr. H. P. Shepherd
13 Surgeon P. W. D.

To The Secretary to the Government
of Madras in the P. W. Department

Dated St. Thomas Mount
Madras Presidency
The 11th June 1890.

Sir
In the month of October last year having
then recently returned from Burma where I
had been employed in the Public Works Dept.
I applied to the Secretary to the Government
of India in the Public Works Department
requesting to be re-employed; and in a
letter No 3216 G dated the 18th November 1889
from G. H. M. Walker Esqre - Under Secretary to
the Government of India in the Public Works
Department - I was advised to make appli-
cation to the Secretary to the Madras Govern-
ment for the employment asked for.

I beg most respectfully to state that, previous
to receiving the Secretary's letter above referred
to, I had taken employment under G. H. B.
Bullock Esqre - Executive Engineer Chingleput.

Punjab Northern State Railway Pindi Junction to Peshawar Section
Engineers-in-Chief's Office Rawalpindi 22nd 1889.

Mr. H. P. Shepherd served for eight months in this line as a surveyor
preparing Land Plans and is now discharged the work being finished.

(Sd.) F. L. O'CALLAGHAN,
Engineer in Chief.

Kamptee C. P.
4th September 1881.

I have much pleasure in certifying that Mr. H. P. Shepherd, who has
been engaged under me with the rank of temporary Supervisor, since last
year, gave entire satisfaction in the field as an accurate and intelligent Le-
veller. In the Office he has carefully worked out the areas of land required
and has given general assistance as a Computer. He is very accurate in
his figures. His services are no longer required. He is a sober steady
man; and I hope he will soon get another engagement.

(Sd.) ALFRED PENNY,
Executive Engineer,
Nagpoor & Chattisgarh Railway,
Extension Survey.

Mr. H. P. Shepherd was employed in the survey of District Roa in the
Jubbulpore Division during the working season of 81-82, and he was
also engaged in getting up the plans and Estimates during the rains of 82.

He was altogether employed for a period of about nine months. His
salary was Rs. 150 per mensem and the travelling allowance of a super-
visor in the P. W. Department.

He satisfactorily performed the duties entrusted to him.
His services were dispensed with on the completion of the work for
which he was engaged.

(Sd.) J. W. GLASS,
Executive Engineer
Jubbulpore Division,
Jubbulpore,
10th October 83.

Chingleput Division, which prevented me
making this application until now.

Mr. Burton's Certificate, together with
copies of other testimonials are herewith
most respectfully submitted for your
kind and favorable consideration, with
the earnest hope that you will kindly
bestow on me some other employment.

I beg most respectfully to remain
Sir

Your most obedient Servant
