OFFICE NOTE No. 3424.

To

W.

With reference to letter No. 487 W. dated 3rd. June 1890 from the General Superintendent P.W. Workshops forwarded herewith in original (to be returned) kindly say what the intention of G.O.No.929 W.dated 21st. March 1890 is.

2. As the order stands, it seems to me that it can only be taken as approving the proposal set out in the preamble, and not as approving of anything in my note No.1424 dated 14th. March 1890 of which the substance is not given.

3. The objection referred to in para 2 of the General Superintendent's letter, deserves consideration, as the charges will add unnecessarily to the capital cost of the Workshops.
