To

The Secretary to the Government
of Madras

Sir Referring to paras 17 and 18
Chapter II of the Government of
India Public Works Code, laying
down rules for the promotion of
Upper Subordinates to the Sub-
Engineer grade, I am directed
to request that you will be good
enough to inform me whether the
rule is enforced in the Public Works
Dept. of the Government of Madras, and
if so, to oblige me by stating the
particulars of the Examination which
Upper Subordinates are required to
pass before being eligible for the
grade of Sub Engineer.

I have the honor to be,

Sir,

Your most obedt. Servant,

L. J. K. K. K.

In reply to your letter No. 516 & dated 4 June 1890, I am directed to state that Candidates to be eligible for appointment to the upper subordinate establishments of the Madras P.W. Dept. must pass the Madras

College of Engineering test for
engineer subordinates after
undergoing a theoretical
course of three years at
the College, and they must
further satisfactorily com-
plete a practical course
of two years in workshops
and works. Appointments
are ordinarily made in
the lowest grade of over-
seer & no further examination
is required for promotion
to the higher grades, in-
cluding that of sub-en-
gineer. Promotion is
regulated by seniority
tempered by selection,
the selection being based
on half yearly recom-
mendations & also rules
submitted by Super. Engrs.
