GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Buildings.

Read the following paper:—

No. From Major-Genl. E. H. H. COLLIN, C.I.E., Secretary to the Government of India, Military Department, to Brigdr.-Genl. A. KENNEY-HERBERT, Secretary to the Government of Madras, Military Department; dated Simla, the 2nd June 1890, No. 1312-MW.

Establishments.

A copy of the Proceedings of the Government of Madras, No. 1916, dated 14th March 1890, ruling that plans and estimates for military works beyond the sanctioning powers of General Officers Commanding Districts should continue to be submitted to the Military Department of that Government for sanction, has been communicated by the Inspector-General of Military Works to the Government of India.

2. With reference thereto, I am to observe, for the information of His Excellency the Governor in Council, that the proposed submission of projects and estimates to the Madras Government would in any case apply to only two divisions (Madras and Bangalore) of the seven comprising the command of the Superintending Engineer, Madras Command, Military Works, and as the works in these two divisions will be executed on the responsibility of the Military Works Department, with funds supplied by it, it does not appear to be desirable to weaken that responsibility or to incur the delay involved in referring projects to another department.

3. The Governor-General in Council considers that the recognised procedure which should be observed is for the Executive Engineer to submit his estimates and designs to the Superintending Engineer, who will carry out the business arising out of them under the orders of His Excellency the Commander-in-Chief, Madras Army, and the head of his department.

4. I am to add that wherever the Government of Madras has a special interest in the works projected, the Military Works Department will be instructed to keep their Public Works Department informed of what is being done, and the Government of India will always receive with consideration any proposals which the Government of Madras may desire to put forward in regard to such works.

No. ORDER THEREON, 19th June 1890, No. 4078

Communicated to His Excellency the Commander-in-Chief and the Public Works Department.
