READ—the following paper :—

Proceedings of the Government of India, Public Works Department (General),
dated Simla, 3rd June 1890, No. 1437-G.

*Scale of Salaries to be paid in future to Officers transferred from the Engineering to
the Accounts Branch of the Public Works Department.*

Read the following :—

Public Works Department Resolution No. 1515 G., dated 30th December 1884.
Public Works Department Resolution No. 19 A.E., dated 25th January 1889.
Despatch to Secretary of State No. 17 P.W., dated 11th February 1890.
Secretary of State's Despatch No. 20 P.W., dated 17th April 1890.

Observations—In Public Works Department Resolution No. 1515 G., dated the 30th December 1884, read above, it was ruled that officers of the Engineer Establishment transferred to the Accounts Branch should draw the increased allowances granted to Executive Engineers, 3rd and 4th grades, and to Assistant Engineers, 1st and 2nd grades, under Resolution No. 1442 G., dated 13th December 1884, clause II (a) and (b), in the corresponding grades of the Accounts Branch.

2. The grant of these special terms was necessary at the time, because the Accounts Branch was largely recruited from the Engineer Establishment, and it was not desirable to throw any difficulties in the way of such transfers.

Resolution—As it is now intended to recruit the superior service of the Accounts Branch under the terms of Public Works Department Resolution No. 19 A.E., dated 25th January 1889; and as it is only in exceptional cases that officers of the Engineer Establishment will be appointed to this Branch; and as such transfers will generally be in the interests of the officers themselves, the Governor-General in Council, in accordance with the decision of the Secretary of State, is pleased to rule that officers transferred from any other branch of the Department to the Accounts Branch shall come wholly under the scale of pay fixed for the Accounts Branch; provided that any officer to whom Public Works Department Resolution No. 1442 G., dated 13th December 1884, applied at the time of its issue, shall not, in case of transfer, suffer any actual reduction of existing salary by reason of such transfer.

The above orders will not in any way affect the pensions to which officers of the Engineer Establishment transferred to the Accounts Branch may be entitled under the rules applicable to them.

lution No. 19A.E., dated 25th January 1889; and as it is only in exceptional
cases that Officers of the Engineer Establishment will be appointed to this
Branch; and as such transfers will generally be in the interests of the Officers
themselves, the Governor-General in Council, in accordance with the decision
of the Secretary of State, is pleased to rule that Officers transferred from
any other Branch of the Department to the Accounts Branch shall come
wholly under the scale of pay fixed for the Accounts Branch; provided that any
Officer to whom Public Works Department Resolution No. 1442G., dated 13th
December 1884, applied at the time of its issue, shall not in case of transfer
