N^o 131 of 11.1.90

To B.W.

The ordinary per centages
leviable under Code para 1486 A
may be remitted, if Government
thinks fit, but the ground ad-
vanced in para 2 of the Chief
Engineer's letter seems questionable,
as the Local Fund Board is
presumably bound to maintain
the road in proper condition and
Government is entitled to the
use of it
