To

The Chief Engineer
Public Works Department.

Sir,

Enclosures.

With reference to G. O. No. 940 W.
dated the 22nd March 1890, I have the honor to
submit for the approval & sanction of Govern-
ment an Estimate for certain improvements, explained
in the Report attached to the Estimate, to the Amier
Mahal amounting to Rs 1985. These works were
included in the Estimate amounting to Rs 4,000/-
submitted with my letter No 1564 dated 25 January
1890 but they are strictly speaking new works I
have separated them. The rest of the works are
usual repairs and I have prepared an Estimate
amounting to Rs 1095 making a total of Rs 5076
or Rs 921 less than the Estimate previously sub-
mitted. I beg to state that further reduction is
not practicable and the works estimated for are
necessary
