27TH JUNE 1890, No. 1778 W., PUBLIC WORKS.

1778/1

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezváda, 5th May 1890, No. 50 Gl.

With reference to your memo. No. 1925 C. of the 19th April 1890, I have the honor to forward, herewith, a revised proposition statement showing the temporary establishment required during the current official year, together with the reasons which necessitate their entertainment.

2. With reference to para. 2 of your memo., I have to state that the following clerks assist the accountants in the several divisions noted below in the preparation of their accounts :—

KISTNA EASTERN DIVISION.

Permanent.

1 Cashier-clerk, 4th class, 3rd grade.
1 Clerk do. do.
* 1 Irrigation clerk, 5th class, 1st grade.

Temporary.

1 Assistant accountant on Rs. 40.
* 1 Stock writer on Rs. 15.
* 1 Workshop store-keeper on Rs. 20—pay charged to workshops.

6

KISTNA WESTERN DIVISION.

Permanent.

1 Clerk, 4th class, 1st grade.
* 1 Store-keeper on Rs. 25.

Temporary.

1 Clerk on Rs. 15.
1 Punt writer on Rs 15.
* 1 Stock writer on Rs. 15.

5

NELLORE DIVISION.

Permanent.

1 Channel Superintendent's clerk on Rs. 12.
2 Clerks, 4th class, 3rd grade.

Temporary.

1 Assistant accountant on Rs. 40.
1 Cashier-clerk, 4th class, 3rd grade.

5

The clerks marked * are not exclusively employed in assisting accountants; the others are.

As regards the special need for additional temporary clerks in each division to assist the accountant, I beg to suggest that the Examiner be consulted, as he probably knows the amount of reduction in accounts work now under contemplation, and also from the constant inspections of his deputies of the several divisions, whether the assistance referred to above is sufficient or not. Pending your reference to the Examiner these posts have been duly provided for in the statement herewith.

3. With reference to para. 3 of your memo., I beg to state that an additional draftsman, 2nd class, Kistna Eastern division, was first sanctioned for 6 months in G.O., No. 1804 W. of the 22nd July 1881, to clear off arrears and to cope with current work. As the drawing work in the Eastern division was always heavy, sanction of Government was obtained in subsequent years to his continued employment. The same reasons apply for his entertainment during the current year. I am personally aware that the work in the Draftsmen branch in this office is much in arrears now and has been since I took charge of the circle.

4. As directed in para. 4 of your memo., the temporary clerk for the Northern Sub-division, Kistna Eastern division, has been omitted in the enclosed statement, in view of a new Sub-division being sanctioned as requested in my letter No. 283 K.S., dated 28th April 1890.

5. As regards cashier for the Nellore division, there are not many works in the division carried out departmentally, but considering the heaviness of the work of the division since the amalgamation of the Sangam project division with it, and pending the submission of my proposal to make it a first-class division, I request that the cashier be sanctioned.

6. I request that sanction may be accorded for the temporary establishment as now applied for in the statement, as also for the following appointments struck out from it, for the periods noted against them :—

KISTNA EASTERN DIVISION.

1 Clerk on Rs. 15 for the Northern Sub-division to end of May 1890.
Press office establishment for March 1890.

The clerks marked × are not exclusively employed in assisting Accountants. The others are.

As regards the special need for additional temporary clerks in each Division to assist the Accountant, I beg to suggest that the Examiner be consulted, as he probably knows the amount of reduction in accounts work now under contemplation, and also from the constant inspections of his his Deputies of the several Divisions, whether the assistance referred to above is sufficient or not. Pending your reference to the Examiner, these posts have been duly provided for in the statement herewith.

3. With reference to para 3 of your Memo., I beg to state that an additional Draftsman, 2nd class, Kistna Eastern Division, was first sanctioned for 6 months in G.O. No. 1804 W. of the 22nd July 1881, to clear off arrears and to cope with current work. As the Drawing work in the Eastern Division was always heavy, sanction of Government was obtained in subsequent years to his continued employment. The same reasons apply for his entertainment during the current year. I am personally aware that the work in the Draftsmen Branch in this Office is much in arrears now and has been since I took charge of the Circle.

4. As directed in para 4 of your Memo., the Temporary clerk for the Northern Sub-Division, Kistna Eastern Division, has been omitted in the enclosed statement, in view of a new Sub-Division being sanctioned, as requested in my letter No. 283 Rd. d/28-4

Issued in the P.W.D.

5. As regards Cashier for the Nellore Division, there are not many works in the Division carried out departmentally, but considering the heaviness of the work of the Division since the amalgamation of the Sangam Project Division with it, and pending the submission of my proposal to make it a first class Division, I request that the Cashier be sanctioned.

17 MAY 1890

6. I request that sanction may be accorded for the Temporary Establishment as now applied for in the Statement, as also for the following appointments struck out from it, for the periods noted against them.

Kistna Eastern Dn. - 1 Clerk on Rs. 15 for the Northern Sub-Dn. - To end of May 1890.
Press Office Establishment - For March 1890.

I have the honor to be,
Sir,

I am not in a position at present to state whether there is any special need for the temporary assistance asked for in the case of the Kistna Eastern, Kistna Western and Nellore Divisions, as I have no facts before me upon which I can base an opinion. Each Executive Engineer is himself the best judge of his own requirements and his statement may I think be accepted for the present

2 If Government desire that I should regulate in any way the extent of assistance to be given to Accountants, it will be necessary for me to have information as to the amount and kind of assistance given in every Division in the presidency, and then I may possibly be able (after a time) to devise a standard of comparison with reference to accounts work done, for which however there is no present basis

Note
The office establishment of the Nellore Division having been raised to that of a first class Division, the Cashier & Asst. Accountant have been disallowed in the draft order on C Nos 4702 and 5233 sent to G.O. on the 12th instant & returned to Madras on 16th idem.

With regard to the Assistant Acct. the Examiner's note is not very definite & neither will the S.E. say they are necessary. Better try doing without them.
