may maintaining 2 horses and a conveyance for the Efficient discharge of my duties. The transfer of Civil Works added greatly to my work, so that I have had to maintain 3 horses and a Conveyance to get on with my work.

5. It will thus be seen that I have been incurring expenditure ~~on Maintaining~~ ~~two horses and~~ a Conveyance Vewer since my assumption of Charge, and I beg that Government will under the Circumstances, see fit to Sanction the allowance from the Original date of my Claim (23.9.89).

4. One horse and a Conveyance costs ~~Rs~~ 60, a month, so I have expended very much more than the allowance of ~~Rs~~ each for two horses, ever since I took Charge.

5. The above is quite independent of what I have to maintain for private purposes.
