Letter from H. H. O'Connell Esquire,
Executive Engineer, Nellore Division,
to the Suptg. Engineer II Circle, dated
26th November 1889 No. 531. V/V

I have the honor to bring to your
notice that a sum of Rs. 23-6-0
appears as due from contractors
Turka Venkatigadu and Malla
Nagada for departmental charges
incurred in their portion of contract
work on Ulavapalla Branch Channel.
In June 1887 T. Venkatigadu died
and the subsequent Bills ran
in the name of Malla Nagadu.
In September 1888 the Contractor
was finally paid with the follow-
ing deductions:-

Rs. 15-0-0	for bad work
" - 12-0	for Departmental charges.
<u>Rs. 15-12-0.</u>	

2. From the information available,
I am unable to decide whether
the deduction of Rs. 15-12-0 was
in lieu of Rs. 23-6-0 or independent
of the same. probably the former
might

might be the case; because
the departmental charges are
on account of bad work.

3. Malla Nagadu is not
working now and his whereabouts
are not known - I request
therefore that you will accord
your permission to charge off
Rs. 23-6-0 to the work in order
that I may submit Completion
Report for it, which has been
delayed solely for this item.

Submitted to the
Chief Engineer, P.W. Department,
(through the Examiner, P.W. Accounts)
who is requested to be good
enough to obtain the sanction
of Government to adjust the
irrecoverable amount of Rs. 23-6-0
by final charge to the work under
(3) C. Note I to para 1301 of P.W.
Code.

2. The loss referred to is evidently
due to departmental charges incurred on behalf
of Contractors not having been debited to the
Contractors' account at the time the charges
were incurred, and the sanction of Government
to charge off the amount to the Work, is
necessary as recommended by the Superintending
Engineer
