PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Proceedings of the Board of Revenue dated

21st April 1890 No. 2431 Misc.

I read the following:—

- (1) *Again Boards' Proceedings dated 26.3.90 No. 2026 Misc.*
- (2) *The following letter from the Agent to the Governor, Vizagapatam, dated 11th April 1890 No. 2021 of:—*

In reply to Boards' No. 2026 dated 26th March 1890, I have the honor to state that the Assistant Superintendent's bungalow at Jeypore was handed over to the Police Department without stables and incomplete in other respects. I understand that much correspondence has passed between the Police Department and the D.P.W. on the subject of building stables but without any result. If I am to embark on correspondence with the D.P.W. and Police Department on the subject they won't be ready for years. Under the circumstances I have the honor to ask permission to deduct the cost from the audit and raise the question in that way. Meanwhile as the stables are urgently wanted I am going on with the work. There is no where else where the Manager can put up his horses

Resolution:-

Submitted for the orders of Government with the request that sanction may be accorded for the erection of Stables at a cost of Rs 75. The charge will in the first instance be paid by the Jeyson estate and can subsequently be deducted from the rent payable to Government.

Enclosure

Read the following letter from the agent to the Governor
Siddagapatam, dated 7th March 1890 No. 73/f.

I have the honor to enclose herewith estimates for the marginally noted works & request that they may be sanctioned.

Works

Items 1 and 2 are urgently required as the site in hand payable for the current fasti is coming in rapidly and there is no place for its safe custody. Item 3 is required for the manager's own horse for which there is no accommodation in the Government bungalow occupied by him.

With regard to item 4 I have the honor to state that the work appears to have been begun before the late Maharajah's death. The walls have been nearly completed and a sum of Rs 65-10-3 expended up to date. The amount now applied for is required to complete the building which is situated inside the fort. I should feel disposed to defer this work pending consideration of whether any alterations or additions should be made to the fort buildings under in pursuance of some definite plan for their

general improvement, particularly in a Sanitary point of view, were it not that Sri Anamidenigam can give considerable trouble in the settlement of the Madgele dispute if this is raised in any way.

As the works are all urgently wanted, I have directed the Manager to proceed with them in anticipation of the Board's sanction.

Resolution:-

Estimates Nos 1, 2 and 4, amounting to Rs 763-14-0 are sanctioned.

As regards estimate No. 3, the Board requests that the Agent will state why the Jeyson estate should pay for the building of the stables. The bungalow appears to belong to Government; (vide para 25 of the agent's letter in G.O. 92nd October last No. 1884 and para 2 of G.O. 28th November last No. 2042 A). The stables should therefore be constructed by Government, if they are needed.

Order:- dated 14th June 1890 No. 1021.

The Government sanctions the erection of the Stables at a cost of Rs 75 as an agency work. The charge should not be debited to the Jeyson estate. (True Extract)
