Item 8. Noted
Item 10. —
Item 19. The sub-head
Petty Supervision has
been opened out and
all
over

all the charges on this
account debited thereto.
Item 27.
The difficulty was the
absence of London Invoices
and want of details of
machinery.

Item 27. London Invoices
have since been received
and there is no difficulty
more. Half yearly Returns
of the Machinery are being
Submitted.

Item 33. The storekeepers
have more experience now
and the practice of having
two centres of account one
at Penjar for all tools
in charge of the storekeepers
as well as those with
officers and Subordinates
in and around Penjar
and a similar one at
Thekady tends to produce
system and regularity,
the storekeepers being able
to detect any deficiencies
in

in the returns sent to them.
From these two centres one
Divisional Return is compiled
Item 37 stated. (X)
Item 39. The sanction of
Government is solicited
to pass these daily allowances
for halts of more than
ten days in a place. viz:

at Perandai

Suppan Laseer 5-31st May 1888

Esoph Khan Laseer 4-15th June 1888
Sholavandam

Do ——— 10-30th Do — Mattapara

Do ——— 1st to 31st July 1888 - Do

As the Lascars were
employed looking after
Government property
while the officers were
out surveying &c, Moreover
the Lascars Abdul
and Suppan are not
more serving in the
Division and their
whereabouts

hereabouts are not
known.

Returned with the following re -
marks:-

Item 39 of the summary.

Under article 1189 of the Civil
Service Regulations sanction of Govern-
ment is necessary for the admission
of daily allowance to the lascars refer-
red to, for halts over 10 days at one
place. It would probably be more con-
venient if sanctions of this sort were
separately applied for.

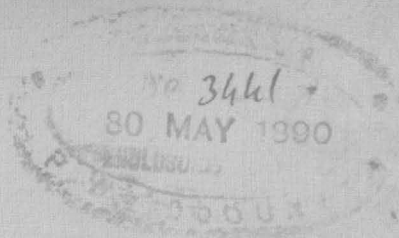

2. Other items call for no remarks.
