7TH JULY 1890, No. 1851 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From Colonel C. A. PORTEOUS, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 13th November 1889, No. 309.

Referring to G.O., No. 943, dated 20th April 1888, I have the honor to submit, for the approval and sanction of Government, the accompanying plans and estimates for the construction of a close prison at the Central Jail, Rajahmundry, amounting to Rs. 8,480.

Approved and transferred to the Public Works Department.

(Signed) A. G. CARDEW,
Under-Secretary.

3rd December 1889.

Memo. No. 5886 C.

Forwarded to the Superintending Engineer, I Circle.

2. The site-plan does not show the position of the store-room or gate-keeper's room.

3. The details of the trays for passing food into the cells are not clearly drawn, and it is not understood why the button for drawing out the tray should be placed on one side instead of in the centre of the opening.

4. No provision is made in the estimate for padlocks or iron trays.

5. A watch tower is referred to in the site-plan, but its position is not marked, and no provision is made for such a building in the estimate.

6. No drawing is furnished for the wooden gate (with archway of the compound wall) which is estimated to cost Rs. 100.

7. The report furnished is very meagre and affords little information.

8. In view of the serious excess over the original estimated cost of jail building that has lately occurred at Cuddapah, it is essential that such estimates should be framed with the greatest care, and the Superintending Engineer will carefully scrutinise the project under consideration and see that it is complete in every respect before again submitting it for the sanction of Government.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,
Ag. Joint Secy. to Govt., P.W.D.
17th December 1889.

From J. W. MARTIN, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Russellkonda, 15th May 1890, No. 389 G.D.

With reference to your memo. No. 5886 C., dated the 17th December 1889, I have the honor to return herewith the plans and estimates therewith received for the close prison of the Central Jail, Rajahmundry, with the omissions pointed out

duly supplied. A fresh general abstract estimate for the work, amounting to Rs. 29,260, is also herewith forwarded.

2. The report which accompanies the estimates contains the facts connected with the work and no fresh report seems necessary.

3. The Godavari Eastern Division officer's letter No. 26 S., dated 14th April 1890, which contains some information connected with the work, is also herewith enclosed.

ENCLOSURE.

From C. M. SMITH, Esq., Executive Engineer, Godavari Eastern Division, to the Superintending Engineer, I Circle, dated Dowlaisheram, 14th April 1890, No. 26 S.

With reference to your No. 2376 G.D., dated 1st January 1890, forwarding Chief Engineer's memo. No. 5886 C., dated 17th December 1889 (herewith returned), I have the honor to resubmit herewith the estimates therewith received with the following replies to the Chief Engineer's queries:—

Query 2.—The positions of the store-room and gate-keeper's room are now shown in the site-plan.

Query 3.—A fresh detail drawing of the tray is submitted and the description of the tray is given in the specification report.

Query 4.—Provision is now made for padlock and iron tray in the estimate.

Query 5.—The watch tower referred to in the site-plan is the existing one of the Central Jail. It has simply been shown to show the position of the proposed close prison.

Query 6.—A drawing with estimate for the wooden gate, amounting to Rs. 100, is submitted.

Query 7.—The estimate was prepared in accordance with Superintending Engineer's No. 1024 G.D., dated 12th July 1888, and no more information is available in this office on the subject.

From the Superintending Engineer, I Circle, dated 30th June 1890, No. 371 G.D.

ORDER—dated 7th July 1890, No. 1851 W., Public Works.

The estimate, amounting to Rs. 29,260,* for constructing a close prison in the Central Jail at Rajahmundry in the Godavari district, is sanctioned.

* Includes Rs. 5,955 for convict labor.

2. A sum of Rs. 10,000 is appropriated for the work from the Provincial reserve with the Government. The Superintending Engineer will report what additional allotment can be spent on the work before the close of the current official year.

3. This sanction has been registered as Provincial No. 30 W. of 1890-91, and classified as Civil Buildings, Original Works.

NOTE OF REMARKS.

The estimate under
review amounting to
Rs 28,480 provided for
constructing a close
prison in the Central
Jail at Thapashamudra in
the Godavari District.

The design is stated
to have been prepared
on the lines of the Close
Prison used in the Central
Jail at Calicut.

The estimate is divided
as follows

- | | |
|----------------------|--------|
| (1) Lin Close Prison | Rs |
| blocks | 23,220 |
| (2) Store Room | 1,020 |
| (3) Gate keeper room | 840 |
| (4) Compound wall | 3,400 |

Total Rs — 28,480

The particulars of
construction are as
follows —
Foundations, Basement,

buildings are to be built
with random rubble in
massive work the walls
will be plastered on
both sides with chunam.
The underwork is
to be built with brick
in chunam.

Concrete is to be used
under the foundations
and over the arches, and
as a flooring for the prison.
The flooring of the sub
buildings to be of brick
an edge built on top of
concrete.

The roofs of the sub building
will be tiled & the frame
work with concrete & sp.
Couples with single
columns pieces all of
brick.

The gates as far as
can be checked and
fair.

The following items
are provisional and
made in this estimate.

Rs 420 for 6 graded
culverts in the compound
work. at Rs 70 each.

Rs 100 for a wooden gate
for the compound wall.

Rs 250 for scaffolding including
cuttings.

Rs 50 for carriage of
materials.

Rs 741 for workshop cuttings
contingent & filter
supervision are provided
for at 3 1/2 % & 4 % respectively.

The amount of Court
labour is entered as an
extra note to the Estimate
and amounts to Rs 5955.

The area of each
block is 1955 sq. ft.
and will cost Rs 1-15-0
per sq. ft.

The area of the Store room
is 420 sq. ft. and will
cost Rs 2-6-10 per sq. ft.

The area of the gate
keeper's lodge is 200 sq. ft.
and will cost Rs 3-0-0
per sq. foot.

The plans and Estimate
have been considered
by the Inspector
General of Jail, and
approved in the
Judicial Deptt.:

C. P.

Police Memo.

The site plan does
 not show the position
 of the store room or gate
 keeper's room.
 The details of the traps
 & forming road into the
 cells are not clearly drawn,
 & it is not ^{understood} why
 the button of drawing out
 the trap should be placed
 on one side instead of in
 the centre of the opening.

The compound wall should
 be plastered & prevent the
 soil from being destroyed
 by rain, and it would
 be better to reduce the
 depth of the foundations
 by a foot & give increased
 width to them.

No provision is made in the
 estimate for postholes or
 iron traps.

A watch tower is referred
 to in the site plan, but
 its position is not marked &

* No provision is made for
 such a building in the estimate.
 No drawing is furnished
 of the wooden gate ^(in the enclosure)
 the compound wall
 which is estimated to
 cost Rs 100.

The report furnished is
 very meagre & affords little
 information.

In view of the serious
 excesses ^{occurred} ~~in~~ the ^{original} estimated
 cost of jail building, that
 have lately occurred, it is
 essential that such estimates
 should be framed with the
 greatest care, & the Govt will
 carefully scrutinize the same.
