With reference to G.O., No. 893 W., dated 18th March 1890, passing orders on
the Provincial objectionable item statement for November 1889, and directing that
the submission of estimate for purchase of land for a coal store and artificers' quarters

Office note from the Examiner of Public Works Accounts, dated 18th June 1890, No. 3567.

ORDER—dated 7th July 1890, No. 1857 W., Public Works.

To complete the estimate for constructing a coal store and artificers' quarters at
Vepery, Madras, the Government directed the submission of an estimate which should
include the cost of the land required for the same. As, however, there is no immediate
prospect of the buildings being constructed, and as the cost of the land has been
debited to the grant for 1888-89, the Examiner of Public Works Accounts is autho-
rised to admit the outlay incurred without a sanctioned estimate.
