OFFICE OF THE SUPERINTENDING ENGINEER,

6TH CIRCLE.

Kodaikanal 30th June 1889

No. 310 TN

From

The Superintending Engineer,

To

The

Chief Engineer

P. W. S.

Sir,

ENCLOSURES.

At the request of the Superintendent of Police, the Executive Engineer, Tinnevely Division, has taken charge of an out post at Pulam in the Nanganur Taluk, as it is no longer required by the Police Department.

2. The out post is said to be a small thatched shed in a very dilapidated condition & quite unfit for use, and its value is estimated at Rs 10. I have therefore the honor to request sanction to the out post being sold in public auction.

3. Under your Memorandum

No 1813.C of the 11th April/90, Police
huts, while in occupation, are
not to be brought on our returns,
but when vacated, they are to be
taken over by this Department
under para 980 of the M Code,
and brought on our returns, if
not disposed of at once -

It is not unlikely ^{that} there are
several insignificant huts or
outposts like the one under reference
and by adding them not only will
the returns of the ^{Department} be encumbered
but in some cases additional charges
will have to be incurred for watchmen &c.

I beg therefore to submit for con-
sideration whether it is not
advisable to entrust to the
Collector of the district ^{regarding all} the dis-
posal of vacated Police huts
under G.O. No 1387 W of the 16th
May/90 -

Sham the honor to be

Sir

Your most obedient Servant

W. Smith

PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the S.E. VI Circle - No. 3103W/2/30 June 1890.

The sale of the
materials of the police
hut at Pulam is
sanctioned.

24/5

2. With reference to paras
3 and 4 of the Supt. Engineer's
letter it is observed that
G.O. no. 1387W dated 16th
May 1890 refers to aban-
doned or ruined buildings
not in charge of any
particular department.
The charge of all public
buildings vacated by
any Govt. department
properly devolves on the
P.W. Department, and
the

the Govt. sees no reason
to modify para 980
S. W. Code. As a rule it
will not be necessary
to bring on the return
of the department vacated
buildings of practically
no value, such as the
out post at Pulam, as
in such cases prompt
application should be made
to Govt. for their disposal.
