READ—the following papers:—

Proceedings of the Board of Revenue (Land Revenue), dated 16th May 1890, Mis. No. 3068.

THE HON. J. GROSE.

Read—the following letter from the Collector of Trichinopoly, dated 6th March 1890, No. 85-4, and the following Reference thereon, dated 1st April 1890:—

I have the honor to request that the Board will be pleased to sanction an allotment of Rs. 5,000 for providing the new office in the Artillery barracks with iron record-racks in accordance with the standard plan of the Public Works Department. The present record almirahs and racks are altogether unsuited to the new building and inconvenient in every way. I shall sell these by auction when I have got the new racks from the Public Works Workshop.

The Collector is requested to furnish particulars of the size and number of the iron racks required, and to submit an estimate of their cost with reference to the table printed in the Government Order communicated with Board's Proceedings, dated 10th January last, No. 17.

Read—also the following letter from the same Officer, dated 26th April 1890, No. 159-4:—

Adverting to Board's Reference, dated 1st instant, on General Register No. 895 of 1890, I have the honor to submit herewith plans and an estimate for Rs. 4,310 for wooden record-racks for the new office in the Artillery barracks. They are about half the cost of iron racks and will do as well.

2. I request the favor of early sanction so that I may get the racks put up in the new office before I move in.

Resolution—dated 16th May 1890, Mis. No. 3068.

Submitted to Government with the request that orders may be issued in the Public Works Department for providing wooden racks for the new office in the Artillery barracks.
