No 2801.

Executive Engineer's Office,
Coimbatore Division,
Coimbatore 16th June 1890.

From

G. B. Lambert Esq.,
Executive Engineer,
Coimbatore Division.

To

The Superintending Engineer,
Fourth Circle,
Coimbatore.

Sir,

I have the honor to bring to your notice that the date fixed for the accounts of this Division to reach the office of the Examiner of Public Works Accounts is 21st of the month following to which they refer. vide G.O. No 721 W. dated 23rd March 1885.

2. Subsequent to this order Barur and Nitgiris were added to this Division. Even before the amalgamation of the Nitgiris, it was with great difficulty
the

the accounts were rendered by the prescribed date by working over hours.

3. Since the amalgamation of Nilgiris, this is found utterly impossible, owing to the carrying out of most of the works in the Nilgiris being by departmental agency, and to the large increase in Tank Restoration works.

4. In these circumstances I have the honor to request that you will be good enough to obtain the sanction of Government that the date fixed for the submission of accounts may be extended to 24th, so as to be in the Examiner's office on the 25th.

I have &c.

Signed/ G. B. Lambert.
Executive Engineer,
Coimbatore Division.

Copy submitted to the Chief Engineer P.W. Department, through the Examiner of P.W. Accounts, with a request that he will be good enough to obtain
orders

3/42
orders of Government fixing the date for the Complete Accounts of the Coimbatore Division being despatched so as to reach the Examiner's office on the 25th of the month following to which the accounts refer.

2. Considering the extent and ^{the} nature of work devolving on the newly constituted Coimbatore Division the concession asked for is not considered excessive and should be granted to suit the altered circumstances of the division.
