GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers :—

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 3rd June 1890, No. 1321 M.W.

In forwarding, herewith, the correspondence noted on the margin, relative to a proposal to apply to the Madras Presidency the limit of money (Rs. 200) which can be expended on repairs to hospital buildings and furniture in the Bengal and Bombay Presidencies under the conditions laid down in paragraph 617, Army Regulations, India, volume VI, I am directed to state that the Government of India propose to accede to the request of the Surgeon-General, Her Majesty's Forces, Bengal, so far as stations in the Madras Presidency under the Military Works Department are concerned, and would be glad to be favored with the views of His Excellency the Governor in Council in relation to other stations.

From Inspector-General of Military Works, No. 1566 B., dated 20th May 1890, and enclosure (return requested).

ENCLOSURES.

From the Inspector-General of Military Works, to the Secretary to the Government of India, Military Department, dated Simla, 20th May 1890, No. 1566 B.

With reference to the attached letter from the Surgeon-General, Her Majesty's Forces, on the subject of the limit of money which may be expended on monthly requisitions for hospital repairs, I have the honor to state that I concur with that officer in thinking that the Bengal and Bombay limit of Rs. 200 should be extended to include Madras; but as all military stations in Madras are not under the Military Works Department, the action of the Government of India will probably require reference to the Government of Madras, at least so far as stations not under the Military Works Department are concerned.

2. Return of enclosure is requested.

From the Surgeon-General, Her Majesty's Forces, Bengal, to the Inspector-General of Military Works, dated Simla, 12th May 1890, No. 1641.

As the Military Works Department has been extended to the Madras and Bombay Presidencies, I have the honor to enquire whether you concur in the proposal to apply to the Madras Presidency the limit of money (Rs. 200) which can be expended on repairs to buildings and furniture in the Bengal and Bombay Presidencies under the conditions noted in para. 617, Army Regulations, India, volume VI. It would be a matter of great convenience if rules of this nature could be assimilated for all India.

From Sir J. A. HANBURY, M.B., K.C.B., Surgeon-General, Her Majesty's Forces, to the Secretary to Government, Military Department, dated Ootacamund, 24th June 1890, No. 1656.

In returning the papers received with your No. 3933, dated 13th June 1890, I have the honor to state that, as the garrison at the stations noted in the margin, which are not under the Military Works Department, is small, I consider that the sum of Rs. 50 per mensem will be ample for repairs, and that, therefore, the existing regulations may not be altered in so far as relates to these stations. Should the amount, in any instance, be found insufficient, the requisition for repairs may be dealt with in the same manner as laid down in para. 619 of the regulations above quoted in regard to requisitions exceeding Rs. 200 in cost.
