The allotments for Bellary Div- as it is believed largely in excess of those for last year. On the 1st instant they amount to Rs. 1,02,680 and under Rs. 1. & Buildings to it is believed Rs. 92,165 - making a total of Rs. 1,94,845. The present establishment must probably be able to cope with this work as it is not the work as extremely scattered - e.g. the

whilst there will be
a large estimate to be
carried out for Bellary
Channel improvement,
& other irrigation works
scattered over the whole
district - The Senior
Engineer & Sub-Engineer
say that under these
circumstances there is
no chance of the
Irrigation Staff being
utilized, with the
present upper subordinate
Staff (1 Senior Asst. Engr.
& 6 upper subordinates)
and I agree with
them - Can any other
Overseer be given by
you, or will you
go up to Government
for another, as the
proceeds of your
enormous & scattered
Civil Buildings for it is
there or will really
necessitate the increase
wanted.

Office note from the
Chief Engr for Irrigation
dated 3-7-90.

For orders -

It is not possible
to increase the upper subor-
dinate staff of the
Bellary division by
reducing the strength of
another division. Al-
most every other Circle
is complaining of being
short handed.

Sanction is therefore
requested to the appoint-
ment of two temporary
overseers on Rs 60 each
per mensem to the
Bellary division, the
sanction to lapse at
the end of the current
financial year.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Office note from the Irrigation Branch of 2.7.90.

In view of the
exceptionally large grants
allotted for expenditure
in the Bellary Division
during the current financial
year, the sanctioned
strength of the upper
subordinate establishment
allowed for the division
will be temporarily
increased from 6 to 8,
inclusive of the Army
Art. Engrs. employed
in the division. To
enable the Chief Engr.
to maintain this strength,
the addition of two
overmen on Rs. 60/-
each

* The total for the Circle
will now be 22 permanent +
4 temporary, total 26.
