GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Pay and Allowances.

Read the following papers :—

No. From Captain S. D. GOEDON, Assistant Secretary to the Government of India, Military Department, to Brigdr.-Genl. A. KENNEY-HERBERT, Secretary to the Government of Madras, Military Department; dated Simla, the 15th May 1890, No. 1251-F.

Pay and Allowances—Last-pay Certificates.

I am directed to forward the accompanying copy of para. 5 of Military letter from the Right Honorable the Secretary of State for India, No. 68, dated the 10th April 1890, and, with reference thereto, to ask that, under the orders of His Excellency the Governor in Council, the Government of India may be informed what practice obtains in the Madras Presidency in respect to the grant to non-commissioned officers on the unattached list of ration money while on furlough.

2. The favor of an early reply is requested.

Extract of a Military Letter from the Right Honorable the Secretary of State for India; dated 10th April 1890, No. 68.

Para. 5. In Sergeant Morison's last-pay certificate it is stated that he is not entitled to ration money, 6d. a day, during any period of his furlough, not even while in receipt of British pay of rank only. I shall be glad to be informed if this is correct under Article 985, Army Regulations, India, Vol. I; and, if so, what classes of non-commissioned officers on the unattached list (including the Public Works Department) are and are not entitled to this allowance while on furlough. If the reason for withholding the allowance is that Sergeant Morison is in receipt of consolidated salary, I would observe that ration money is frequently allowed, according to their last-pay certificates, to non-commissioned officers on furlough from the Public Works and other Departments, who are apparently drawing consolidated salaries.

No. 3570.

Forwarded for favor of report through the Examiner, Public Works Accounts.

2. The favor of an early reply is requested.

tinued to them while on leave in England on private affairs.

4. The records in this department do not show that there are any non-commissioned officers on the unattached list in receipt of consolidated salaries on furlough. They are, however, not entitled to rations or ration money (*vide* Para. 322, Army Regulations, India, Vol. V) while in India, though in accordance with Article 985, Army Regulations, India, Vol. I, Part I, they are entitled to 6 pence a day on that account when on leave on medical certificate in England.
