19TH JULY 1890, No. 1971 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

Office note from the Examiner, Public Works Accounts, dated Madras, 24th June 1890, No. 3704.

In continuation of my office note, No. 1301, dated 10th March 1890, I beg to submit a list of vouchers long overdue on the 15th April 1890.

2. The list includes (1) vouchers of the accounts for October 1889 (and previous months) never received at all from the Executive Engineers concerned, and (2) vouchers of September 1889 (and previous months) which have at some time been received from the Executive Engineer, but have been returned to him for correction, completion, &c., and have never been re-submitted.

3. In the Ganjam and Periyár No. I divisions, the arrears have increased instead of being reduced, the numbers being, respectively, 72 and 410 against 49 and 310 in the last report.

4. In the case of the Periyár division, the number includes 168 vouchers the objections to which had already been removed at the date of last report (see order of Government on item No. 20 thereof), and it is difficult to understand the continued delay in returning at any rate these vouchers. Government is however aware, from separate correspondence, that, pending order of Government on a reference made, the Chief Engineer, Periyár Project Works, will take no action on the matter, and until he does do so, it seems unlikely that any substantial progress will be made in clearing off the arrears.

5. It seems probable that in all divisions the difficulty in getting vouchers would be greatly reduced by closer attention to the rule of Code para. 1642, and by adopting more largely the practice of sending cheques for delivery through subordinates, instead of sending them by post to the payees.

In continuation of my office note No. 1301 dated 10th. March 1890, I beg to submit a list of vouchers long overdue on the 15th. April 1890.
