GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

READ—the following paper :—

Proceedings of the Government of India, Public Works Department (Civil Works—Telegraph), dated Simla, 12th June 1890, No. 189 T.

Classification of State Weather Telegrams as "Paid."

Read—

Government of India, Public Works Department, Circular No. 1 Telegraph, dated the 11th September 1882.

Docket from the Director-General of Railways, No. 226 T., dated the 28th August 1889, and enclosure.

Letter from the Government of Bombay, Public Works Department, Railway Branch, No. 984, dated the 25th April 1890, and enclosure.

Observations—In the circular quoted above, the Government of India authorised the transmission by all Railway Telegraph offices of State weather telegrams as "bearing." It has been represented to the Government of India that the ruling operates unfairly on the telegraph revenue of railways, inasmuch as, under the rules for inland bearing telegrams, the charges due on these telegrams are realised and retained by the Telegraph Department, which in this case effects delivery of the telegrams. In the case of prepaid inland telegrams, the receipts belong to the office of origin, and as these weather telegrams are compulsorily sent "bearing" instead of "paid," solely for the convenience of the Meteorological Department, there are good grounds for exempting them from the ordinary rules for bearing telegrams, which were not originally intended to apply to such special cases. By permitting these telegrams to be classed as "paid," although in fact sent unpaid as hitherto, the offices of origin would be given credit for the value of the telegrams they despatch.

Resolution—Under the foregoing circumstances, the Government of India is pleased to authorise the classification in future of State weather telegrams as "paid." Each railway will present a collective half-yearly bill for the messages despatched from all its telegraph offices to the Meteorological Reporter to the Government of India at Simla. This officer will countersign and return the bill for adjustment with the Comptroller of India Treasuries.

2. This order will have effect from the 1st July 1890.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam, Mysore and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General in Central India, Rajputana and Baluchistan.
The Accountant-General, Public Works Department.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta, Central Division and Lucknow.
The Director-General of Telegraphs.

Order—Ordered that a copy of this resolution be forwarded to the Local Governments, Administrations and Officers marginally noted, for information and guidance.

Ordered also, that a copy of the resolution and of the correspondence marginally

Docket from the Director-General of Railways, No. 226 T., dated the 28th August 1889, and enclosure.

Letter to the Director-General of Railways, No. 280 T., dated the 31st October 1889.

Letter from the Government of Bombay, Public Works Department, Railway Branch, No. 984, dated the 25th April 1890, and enclosure.

noted be forwarded to the Finance and Commerce and Revenue and Agricultural Departments of the Government of India for information.

(By Order.)

RESOLUTION.

Classification of State Weather Telegrams as "Paid."

Simla, the 12th June 1890.

Read—

Government of India, Public Works Department, Circular No. 1 Telegraph, dated the
11th September 1882.

Docket from the Director General of Railways, No. 226 T., dated the 28th August
1889, and enclosure.

Letter from the Government of Bombay, Public Works Department, Railway Branch,
No. 984, dated the 25th April 1890, and enclosure.

OBSERVATIONS.—In the Circular quoted above the Government of India
authorised the transmission by all Railway Telegraph Offices of State Weather
telegrams as "Bearing." It has been represented to the Government of India that
the ruling operates unfairly on the telegraph revenue of Railways, inasmuch as,
under the rules for inland bearing telegrams, the charges due on these telegrams
are realised and retained by the Telegraph Department, which in this case
effects delivery of the telegrams. In the case of prepaid inland telegrams,
the receipts belong to the office of origin, and as these weather telegrams are
compulsorily sent "Bearing" instead of "Paid" solely for the convenience of the
Meteorological Department, there are good grounds for exempting them from
the ordinary rules for bearing telegrams, which were not originally intended
to apply to such special cases. By permitting these telegrams to be classed as
"Paid," although in fact sent unpaid as hitherto, the offices of origin would
be given credit for the value of the telegrams they despatch.

RESOLUTION.—Under the foregoing circumstances the Government of India
is pleased to authorise the classification in future of State Weather telegrams as
"Paid." Each Railway will present a collective half-yearly bill for the messages
despatched from all its Telegraph Offices to the Meteorological Reporter to the
Government of India at Simla. This officer will countersign and return the bill
for adjustment with the Comptroller of India Treasuries.

2. This order will have effect from the 1st July 1890.

ORDER.—Ordered, that a copy of this Resolution be forwarded to the

The Governments of Madras, Bombay, Bengal, the North-Western Provinces
and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam, Mysore
and Coorg.
The Resident at Hyderabad.
The Agents to the Governor General in Central India, Rajputana and Balu-
chistan.
The Accountant General, Public Works Department.
The Director General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta,
Central Division and Lucknow.
The Director General of Telegraphs.

Local Governments,
Administrations and
Officers marginally
noted, for information
and guidance.
