GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From A. A. JOFF, Esq., Director-General of Stores, to the Secretary to the Government of Madras, Public Works Department, dated India Office, Whitehall, S.W., 13th June 1890, No. S. 7154.

With reference to the demands for 40 iron and 10 steel stone crusher jaws, contained in the indent for stores for Madras Harbour Works (items 56, 57, 71 and 72), forwarded with your letter, No. 986, dated 27th March 1890, I have to inform you that the jaws have been ordered at the following prices, viz.:—

					£	s.	d.
Chilled cast iron jaws, fixed	...	...	...	...	4	6	each.
Do. moveable	...	...	...	...	11	1	"
Cast steel jaws, fixed	...	...	...	...	8	8	9
Do. moveable	...	...	...	...	9	13	9

2. The jaws hitherto supplied to the Madras Harbour Works appear to have been always made of iron, and in view of the large extra cost of steel jaws, as shown by the above figures, I should be glad to be informed, after those now ordered have had a fair trial, whether they are considered to be so superior to cast iron as to justify the extra expense.

ORDER—dated 19th July 1890, No. 1985 W., Public Works.

Communicated to the Chairman, Madras Harbour Trust Board, with reference to G.O., No. 985 W., dated 27th March 1890.

2. The Chairman will in due course report on the point referred to in para. 2 of the foregoing letter.
