GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

G.O., dated 3rd June 1890, No. 1535 W., Public Works.

Read—the following Proceedings of the Government of India, Public Works Department (Civil Works—Communications), dated Simla, 13th May 1890, No. 128 C. :—

Total length of Road communication of all kinds maintained in India.

The following is forwarded to the Local Governments and Administrations noted in the margin for information and early attention, and with a request that paragraph 3 of the Secretary of State's despatch may be noted for future guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Residents at Hyderabad and in Mysore.
The Agents to the Governor-General in Central India, Rajputana, and Biluchistan.

(By Order.)

(Signed) C. VINCENT,
Under Secy. to the Govt. of India.

To the Secretary to the Government of Madras,
Public Works Department.

ENCLOSURE.

From the Secretary of State for India (Viscount CROSS), to the Government of India, Public Works Department, dated 3rd April 1890, No. 17 P.W.

In preparing the Annual Statement of the Moral and Material Progress and Condition of India, it would be useful to show the total length of road communication maintained by public authorities of any kind in the different Provinces and Administrations.

2. Complete information on this subject does not at present exist in this office, and I shall be glad if your Excellency will cause me to be furnished with a statement for the year 1888-89, distinguishing the roads which are metalled throughout from those which are not metalled but graded throughout, or are of a serviceable though temporary description.

3. For subsequent years it would be desirable that instructions should be given that the section relating to Public Works in the different Administration Reports should include a statement of the extensions carried out in the year to which they relate, as well as of the length of road maintained during the year. Any information available as to the average cost of making and maintaining roads would also be of interest.

Order—dated 3rd June 1890, No. 1535 W., Public Works.

Communicated to Superintending Engineers, who will at once submit the required particulars for the year 1888-89 with respect to roads maintained by the Public Works Department.

2. Statements for the year 1889-90 should also be submitted without delay as supplements to the Circle Administration Reports for that year, and the information called for by the Secretary of State should be embodied in the Administration Reports of future years.

3. Orders will be issued in the Local and Municipal Department with respect to roads maintained by District Boards.

(True Extract.)

(Signed) O. V. BODDY, Major, R.E.,
Ag. Under Secy. to Govt., P.W.D.

To Superintending Engineers.
To the Chief Engineer, Periyar Project.
" Consulting Architect to Government.
" Examiner, Public Works Accounts.
" Local and Municipal Department.

ORDER—dated 8th July 1890, No. 1678 L., Local and Municipal.

Communicated to all Presidents of District Boards, with the request that they will submit at once a statement containing the required information for 1888-89 in the annexed form A, and substitute the 12 columns of this statement for columns 2-4 under the head "Number of miles in charge at the commencement of the year" in Statement IV-A submitted with the administration reports from 1889-90.

2. Chairmen of Municipal Councils, and the President, Municipal Commission, Madras, are also requested to submit at once a statement for 1888-89 in the annexed form B and similar statements with the administration reports of the following years.

(True Extract.)

O. V. Boddy
for *Chief Secretary*

To all Presidents of District Boards.
" all Chairmen of Municipal Councils,
" through the Collectors concerned.
" the President, Municipal Commission, Madras.
" the Public Works Department.

Exd. A. Raitt.
