PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Chairman, Municipal Council,
Chicacole, dated 10th March 1890, No. 100, sub-
mitting explanation regarding the unsatis-
factory state of Town School buildings, with
reference to para 4 of G.O., No. 1490 M. dated 5th
November 1889.

From the same officer dated 26th March 1890,
No. 137, submitting letter of the Sub Divisional
Officer, Chicacole regarding the Town School
and Municipal Office building.

Again from the same officer dated 14th May
1890, No. 235, submitting explanation regard-
ing the number of Sub. Committees appointed
to supervise the Town School building.

Order thereon dated 12th July 1890, No. 1033 M. mis

From the report now received
it

it is apparent that the Municipal Council
has wasted a large sum of money in con-
sequence of having undertaken a task for
which it has no qualifications. This unfor-
tunate result might have been avoided
had the estimates been forwarded for ap-
proval to the Superintending Engineer
as directed in G. O. dated 14th July 1855, No. 283M,
but this was not done, and it is now impossi-
ble to fix the responsibility for what has
occurred upon any single individual, seeing
that the supervision exercised by the suc-
cessive Chairman was at best only nominal,
that, of the maistries who were employed
upon the work one is dead, and the other
has left Municipal service and that
the actual execution of the work was
carried out by a number of contractors
who were paid by the piece. The building
should now be carefully examined by
the Executive Engineer and he should re-
port whether the roof can be put on with
safety and the building used as a school
or
