His Excellency
the Governor in Council
Fort Saint George
Madras

The humble petition of C.
Rungabashacarloo Naidu

Most Respectfully sheweth,

That your Petitioner is a proprietor of a Hotel at Madras known as "Belgravia Hotel" and as such has the kind patronage of the several gentries of Madras.

That your Petitioner at the suggestion and request of his friends and constituents is desirous of erecting a shed or pavilion just about the Band stand south Beach with a view to open a Refreshment room (excluding liquors) for gentries who meet there on evenings.

That your Petitioner for securing the necessary permission for such erection applied to the Consulting Architect to Government of Madras who is in charge of Public Works Department (Civil works) and had the accompanying endorsement, a copy of which I hereby enclose for information.

That your Petitioner is ready and willing to have

such

such shed or pavilion removed at any time when the place is
wanted by the Government. A plan of the site selected by your Petitioner
is also enclosed for information which it will be seen that the site
selected is pretty far away from the Band stand by 600 feet.

That your Petitioner therefore prays that your
Excellency may be pleased to accord permission for the temporary
erect of a shed or pavilion on such terms as may be deemed
necessary in respect of the rents of the ground on which the shed
or pavilion is proposed to be erected.

For which act of kindness your
Petitioner as in duty bound shall
ever pray.

This paper should be circulated - I am very doubtful as to the expediency of allowing the erection of a building - being built of wood & having a design to be furnished of a light & airy & reasonable character -

Eating & drinking along, in the kitchen & washing & cups, plates & plates & the inside of the pavilion - If the pavilion is situated on the beach & built on piles or on the sand & the water will, on the sea beach, in fact -
