Ootacamund, dated, 5 July 1890.

Sir,

The Registrar of the South Arcot District brings to notice that the Sub-Registrar's office at Mannargudi is located in a narrow inner verandah of the old Deputy Tahsildar's Cutcherry, enclosed on all sides with bamboo and very ill-lighted, that the accommodation is very insufficient, there being hardly room for the Sub-Registrar and his clerks to move about freely, the greater portion

portion of the available space being occupied by furniture, and that it is absolutely necessary that, either a new office building on the standard plan should be constructed for the Sub-Registrar, or arrangements made for providing additional accommodation for him in the Deputy Tahsildar's Cutcherry.

2. The collector, who was addressed on the subject, has stated that he is willing to give the Sub-Registrar another verandah of the building in which the Police Station is located, provided that certain improvements are made at the cost of the Registration Department to the portions of the Deputy Tahsildar's Cutcherry to which the Police Station is to be removed. These improvements, as well as the improvements to the portions of the building assigned to the Sub-Registrar, are estimated to cost Rs 738.

3. It seems to me that, instead of spending the large sum of Rs 738 in improvements to the old Deputy Tahsildar's Cutcherry, it would be preferable

v3/2

preferable to have a new office constructed for the Sub-Registrar on the standard plan. The Registrar reports that the portions of the old building assigned to the Sub-Registrar will not be well-suited for the purposes of a Registration office, even after the proposed improvements are carried out.

4. I have the honor, accordingly, to request that Government will be pleased to sanction the construction of a new office building on the standard plan for the Sub-Registrar. The office is an important one and yielded in 1889-90 a surplus of Rs 2214- as shown below,

No of Registrations	3351.
Receipts	Rs 4038
Expenditure	Rs 1824
Surplus:	<u>2214</u>

5. I beg also that orders may be issued for the early construction of the building, as the inconvenience to which the Sub-Registrar is now put by the insufficiency of present

present accommodation is very great.

I have the honor to be

Sir
