Letter from the Supply
Govt. II Circle No 2312
of 8.7.20.

For orders.

In G.O. dated 1.7.20,
No 812 M, Local & Municipal,
it was decided that
the future maintenance
of the Potlunur Water
supply system should
devolve on the Munici-
cipality, in the present
paper it is reported
that the transfer was
effected on 2 April
last.

It appears that
there are in store with
the P.W. Dept, surplus
pipes &c to the value
of Rs 24413-13-00, &
these were handed to
the Municipality by the
Govt. Supply on payment
last

but the Municipal Council
declares its inability to
purchase the stones.

The value of the
stones has already been
debited to the water
supply scheme, and it is
recommended that they
be made over to the
Municipality as part
of the project.

Approved
H.S.
17/7/30

No 1747.

Executive Engineer's Office,
Coimbatore 18th April 1890.

From

G. B. Lambert Esq.,
Executive Engineer,
Coimbatore Division.

To

The Chairman,
City Municipality,
Cotacamund.

Sir,

Referring to the transfer of the control
of the Cotacamund water supply scheme
to the Municipality on 2nd April 1890 I
have the honor to inform you that the
sub division officer Nilgiri sub division
reports that the Municipal Engineer
refused to take over the surplus pipes &c
of the above scheme in stock at Cotacamund.

2. As I have no other works on
which I can use them, I request that
you will be good enough to take them
over, in case of your refusing to do so,
the

Phs 73. VII
H. M. VII

the question may have to be referred to Government for orders.

To

The Executive Engineer,
Coimbatore.

The undersigned has the honor to forward the following extract from the minutes of the meeting of the Ootacamund Municipal Council held on the 29th May 1890 for your information.

Signed/ C. W. F. Jennings
Secretary O. M. C.

Extract.

* * * * *

X Read letter from the Executive Engineer, Coimbatore Division, demanding payment for surplus stores belonging to water works and Municipal Engineers report thereon.

The Council is quite unable to pay the sum demanded for the surplus stores connected with the water works amounting

amounting to Rs 4413-3-0. If the Govern-
ment is not disposed to hand over the
surplus stores with the water works,
the Council considers that the best course
will be for the stores to be retained in
charge of the D.P.W. and served on indent
at Book Rates to the Municipality as
occasion may require.

Executive Engineer's Office,
Coimbatore Division,
Coimbatore 4th July 1890.

From

G. B. Lambert Esq.,
Executive Engineer,
Coimbatore Division.

To

The Superintending Engineer,
Fourth Circle,
Coimbatore.

Sir,

Enclos: 3.

In continuation of endorsement
No 4233 of 10th March 1890 from the Executive
Engineer late Nitgiri Division, I have the
honor to report that the control of the
water supply at Ootacamund was handed
over to the Municipality on the 2nd April
1890.

2. On requesting the Chairman of the
Municipality to take over the surplus
pipes &c of the water supply in payment
of book value Rs 4413-13-0, the Municipality
reports

reports its inability to pay the sum demanded and states that the stores may be retained in charge of the P.W.D., and made over to them when required at book value as occasion may arise. I have, therefore, to request you will be so good as to obtain the orders of Government on the subject.

3. I herein enclose for your information copies of my letter No. 1747 dated 18th April 1890 to the Chairman and letter No. 391 dated 16th June 1890 from the Secretary Cootacamund Municipal Council with an extract from the minutes of meeting.

I have the honor to be
Signed/ G. B. Cantwell.
Executive Engineer.

No. 231
Ew.

Copy submitted to the Chief Engineer P.W. Department for favor of orders with reference to correspondence ending with this Office No. 127 P.W. of 25th March 1890.

2. The value of the materials in question have been already debited to the water scheme project and it is advisable to transfer them to the Municipality along with the works, which were handed over to them on the 2nd April 1890. Otherwise the materials should be stored in a place of safety and a watchman employed to look after them.
