GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Establishments—Working Parties.

Read the following paper:—

No. . From Colonel E. H. EYRE, Officiating Quarter Master General, Madras Army, to Brigdr.-Genl. A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 5th July 1890, No. 1678-B (Establishments—Working Parties).

The Chief Engineer, Periyár, having reported that he could find employment for a whole Pioneer Regiment on the works there, I have the honor, by order of the Commander-in-Chief, to state that His Excellency accordingly proposes, with the approval of Government, to despatch the detail as per margin of Native officers and men of the 1st Madras Pioneers from Trichinopoly to Periyár, the employment of these troops on the works being advantageous to the State as well as beneficial to the regiment.

	Native officers.	Non-commissioned officers and men.	
First party ...	4	296	About 16th instant.
Second do. ...	...	200	About 16th proximo.
Total ...	4	496	

2. As on the departure of the above men the cantonment of Trichinopoly will be left for a few months with a garrison only of about two and a half companies, I am desired to ask whether there is any objection to this temporary reduction of the garrison of Trichinopoly, the strength of the detachment remaining being sufficient to carry out the ordinary duties of the station.

3. Should any necessity arise for the recall of these men, or a portion thereof, they could be brought back within a few hours, or the garrison of Trichinopoly might be augmented if required by a detachment sent from Bangalore, which is within easy distance by rail.

No. . ORDER THEREON, 21 July 1890, No. 4727.

The employment of the detail of the 1st Madras Pioneers, specified in para. 1 of the Quarter Master General's letter in connection with the Periyár Project Works, is approved.

2. The temporary reduction of the garrison of Trichinopoly in consequence of the above arrangement is also approved.
