The accompanying papers are sent to you for favor of remarks as regards the classification of the estimate.

It is observed that the work in question is properly speaking a Local fund work but was ordered to be carried out as a Professional agency work in G.O.

No. 229 (Revenue) dated 26th March 1889 (G.O. No. 918 W, dated 28th March 1889). From the report accompanying the estimate it will be seen that a sum of Rs 9,862 was spent on the work during 1889-90 and that the road will now be handed over to the Local Fund Board.

Your office note No.2590 C.dated IIth June 1890.

The work "Tekkali Anantagiri road" having been undertaken as a Famine relief Work, the grant was sanctioned from Provincial Funds in G.O.No.II35 W.dated 28th.April 1889; but as the road is now to be handed over to the Local Fund Board as an ordinary work, there is apparently no objection to its being classed as a Local Fund Work.
