North Arcot Collector's Office
Chittoor 31st January 1889

From

H. Le Franc Esquire
Collector of North Arcot.

To

The Secretary to the
Commissioners of
Land Revenue, Madras.

Sir,

I have the honor to request
that the Board will be pleased
to obtain the sanction of Govern-
ment for the construction, at
Cheridragiri, of a new Taluk Kacheri
according to the standard design.

2 The present Kacheri is an
old incommodious native house,
in bad repair, dark and illventila-
ted. The Treasury arrangements
are disgraceful, the treasure being
kept in a hole like a dog kennel.
There is no proper accommodation
for Police, for the Tahildar,
Magistrate and for records. The

Construction

Rev. 1202
1889

Construction of a new building is absolutely necessary.

3 The Superintendent of Police Mr. Agar, has complained, that there is no guard room in the present Kacheri, nor a safe place for the Custody of arms, and that there is no shelter for the sentry over the Sub Jail, which is a considerable hardship during rainy weather. It is unreasonable to expect good and cheerful work from a Taluk Establishment in such surroundings. The Taluk Kacheri at Chittoor is not satisfactory, but I would not press for a new office at present. I cannot speak for Piler and Gaudewash, which I shall visit next week but all the other Taluks in the District except Chandragiri have had superior or fair provision made for the Kachari office. I trust therefore that this is the only claim for a fresh building which I shall have to put forward on behalf of this District.

I have the honor to be
Your most faithful servant
