No. 153

2091

Western
Godavari Eastern Division Office
Chettipett
Dowlaisheram, 27 June 18

From

B. H. Young Esq.

The Executive Engineer

Godavari ~~Eastern~~ ^{Western} Division.

To

The Superintending Engineer

1st. Circle.

Sir,

With reference to Examiner's remarks on Disallowance List No. 27 of 23rd May 1890, I have the honor to explain that owing to the Western Delta Canals being advertised to close on the 23rd March, Mr. Lewis transferred the whole Establishment & records of his Division to Chettipett by the 22nd; had this not been done, there being no road communication between Ralli & Chettipett & water communication closed, it would have cost Government about 20 times as much as it did do to move all records by coolies after the 1st April; the move was therefore on the ground of economy.

2. In the absence of Establishment & Records, it was impossible for Mr. Lewis to hand over charge of this Division; He had therefore no alternative but to come to Chettipett, which being above 5 miles from head quarters, he naturally claimed daily allowance.

3. I have the honor therefore to request that you will accord specific sanction for his daily allowance for the 3 days 29th

March, and communicate the same
to the Examiner.
