I am directed to forward for the information of the Govt of India, copies of the correspondence marginally noted.

2. On the extension of the Military Works Department to this Presidency at the end of the past official year, the Presidency division of the Madras P.W. Dept was abolished, and it was arranged that the office establishment of the division should be transferred to the Military Works Dept.

3. The clerks and draftsmen of the Presidency division thereupon submitted

Petition from the clerks and draftsmen of the Presidency division office of 20.1.90

End. thereon by the S.E.I. (Civil) No. 6858 of 22.1.90

Order of Govt No. 2794 of 28.1.90

Abstract of letter from the S.E.I. (Civil) No. 416 of 25.10.90

P.W. Dept Memo: No. 2149C of 7.4.90

a petition to this Government pointing out that by their transfer to the Military Works Department they would become liable to general service, and praying that they might either be guaranteed local service in the Military Works Dept, or be retained in the P.W. Dept as supernumeraries until they could be absorbed. This Government was not disposed to entertain either of these requests, and ruled that those who

who declined to
volunteer unconditionally
for service in the
Military Works Dept.,
should be retired
on compensation pensions.
This decision was
arrived at in view
of the fact that by
their transfer to the
Military Works Dept.
the clerks too would
come under new
conditions of service
not contemplated
when they entered
Government employment,
and that by the closure
of the late Presidency
division of the Madras

Public Works Department,
their appointments
were abolished.
3/4 I am to add
that only one draftsman
and one clerk finally
elected to retire in
preference to joining
the new department
unconditionally.
