A small quantity (12 sheets) of orange colored paper required for blunders for urgent papers was purchased locally for twelve annas, the orange colored paper supplied by the Stationery office not being found suitable for the purpose. Similar charges preferred in the past Contingent bills were passed under G.O. No 1159. W. dated 22 October 1887 but the Examiner of P. W. Accounts requires the sanction of Government to enable him to pass this charge on the ground that the ruling referred to is not embodied in the P. W. Code. It is requested that the Examiner of P. W. Accounts may be authorized to pass the charge and to embody the ruling in the P. W. Code to avoid references to Government on such small matters.
