GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From Colonel E. H. EYRE, Officiating Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 24th July 1890, No. 96 M.W.

I am desired, by the Commander-in-Chief, to solicit the orders of Government, as to the department to be applied to, in view to the carrying out of any repairs that may be necessary to be effected to the magazine recently constructed at this station, by Sapper labor, under the orders of Government, marginally noted, for the storage of powder, &c., required for saluting purposes, and for the small arms ammunition of the Nilgiri Volunteer Rifles, and also as to the source from which funds are to be provided for the execution of such repairs.

2. As from the accompanying copy of a letter * from the General Officer Commanding Southern District, it would appear that the Superintending Engineer, Madras Command, Military Works, has decided that the magazine in question is not in charge of the Military Works Department, I am to suggest that the Public Works Department, which has a sub-division at this station, may be required to take charge of the battery and magazine, and to carry out all such repairs, &c., as may from time to time be necessary thereto.

ENCLOSURE.
From Brigadier-General E. FAUNCE, C.B., Commanding Southern District, to the Quartermaster-General, Madras Army, dated Wellington, 16th July 1890, No. B-1955.

I have the honor to inform you that on intimation being received from the Officer Commanding Nilgiri Volunteer Rifles that the magazine at Ootacamund leaked, the Executive Engineer, Military Works, was addressed in view of having the same repaired, but a reply has been received that the Superintending Engineer, Military Works, Madras Command, has decided that the Saluting Battery Magazine at Ootacamund does not belong to his department. I therefore request orders on the subject.

No. 4834, Military.

Referred to the Public Works Department for favor of opinion with reference to the suggestion in para. 2 of the Quartermaster-General's letter.
