GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

2155

To,

The Secretary to the Government of Madras
Public Works Department

Simla the 15th July 1890.

Sir,

I am directed to acknowledge the receipt
of your letter N^o 1783 W. dated 27th ultimo and,
in reply, to observe that sanction was accorded
in Public Works Department letter N^o 911 G. —
dated 28th March 1890 to the grant of a
conveyance allowance of Rs 50/- per mensem
to Mr H. Irwin, Consulting Architect, Madras,
on the ground that the Civil Works of the
Presidency Division had been added to his
charge, necessitating frequent journeys within
a five miles' radius. Before the proposal for
the grant of the allowance from the date
on which Mr Irwin first took over the Consul-
-ting Architect's charge can be considered,
I

is agreed that it may be explained
why this allowance is required more by
Mr Irwin than by his predecessor, Mr.
Bressington, who, so far as is known to the
Government of India, received no allowance.

I have the honour to be,

Sir

Your most obedient servant

For orders with
reference to Mr Irwin's
letter No 661 of 6.6.90,
attached to G.O. No
1782-3 W of 27.6.90.

The G. O. is
correct in stating that
Mr Bressington
drew no emoluments
allowance, & it may
be difficult to make
out a case in favour
of Mr Irwin for the
period prior to the
transfer of the Presidency
Civil Works to his
charge.

Military works at
 Madras were finally handed
 over to the Military Works
 Dept. on 9th January 1890,
 as Mr. Darwin was no
 doubt being somewhere
 before that in taking
 over Civil works. The
 L. & S. might perhaps
 be asked to pass the
 allowance from 1st January
 1890.

Very odd - make at the
 last date possible for the
 first of Jan 1st 1890. It
 is rather late for it for
 my collection and as the
 thing has not been
 it.

division to the Military
Works Department having
been finally completed on
the 9th of that month.

2. As already explained in
this office letter No. 646 W
dated 28th Feby. 1890, Mr.
Irwine has had charge of
all civil works at the Presidency
since the transfer of Military
Works to the Military Works
Dept., which his predecessors
had not, and this Govt.
therefore considers that
the conveyance allowance
should be granted from
the time the additional
work devolved on him
