8TH AUGUST 1890, No. 2157 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following paper:—

Proceedings of the Government of India, Public Works Department (Account—General), dated Simla, 16th July 1890, Circular No. VII P.W.

Preparation and submission of Statements of Objectionable Items.

Read—

Public Works Department endorsement No. 337 A.G., dated 19th September 1888.

Public Works Department Circular No. 34, dated the 4th December 1889.

Public Works Department letter No. 41 A.G., dated the 14th March 1890, to the Government of the Punjab.

Resolution—In Public Works Department Circular No. 34, dated the 4th December last, the duty of preparing the divisional objectionable items statements on Executive Engineers' monthly accounts was transferred from the Executive Engineer and imposed upon the Examiner. As these objectionable items statements are lists of objections discovered by the Examiner during his audit of the monthly accounts of Executive Engineers, they must in the circumstances be compiled monthly for each division.

2. These orders had no reference to the combined statements of objectionable items in the accounts of a branch of the department in a Province, which the Examiner prepares for submission to the Local Government and the Accountant-General, Public Works Department. The Government of India had previously approved of the preparation of these latter objectionable items statements, quarterly instead of monthly, at the option of Local Governments and Administrations—*vide* para. 5 of the letter circulated under Public Works Department endorsement, No. 337 A.G. of the 19th September 1888. On open lines of Railway such statements are submitted to the Accountant-General, Public Works Department, quarterly under Public Works Department Code, volume IV, chapter IV, para. 50.

3. It is therefore still open to Local Governments and Administrations to direct that statements of objectionable items should be submitted to themselves quarterly or at shorter intervals, as may be considered desirable. It should not be overlooked that under Public Works Department Code, volume II, chapter XIV, para. 66, the Examiner is bound to bring specially to the notice of the Local Government or Administration important items of irregular outlay by a special report made at once on their coming to his notice.

4. This order applies to all branches of the department and to the Telegraph Department.

The Governments of Madras and Bombay (General and Railway Branches), Bengal,
the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Baluchistan.
The Accountant-General, Public Works Department.
The Director-General of Railways.
The Director-General of Telegraphs.

Order—Ordered that the foregoing be communicated to Local Governments and Administrations, and the officers noted in the margin, for information and guidance.

(Signed) R. G. MACDONALD,
