From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 7th January 1890, No. 38 G.

With reference to your Proceedings, No. 3392 W., dated the 28th November 1889, and connected correspondence regarding the transfer of military works in Madras to the Inspector-General of Military Works, I am directed to request that instructions may be now issued for the early transfer of the military works at Madras and Bangalore to the Military Works Department. In the first instance the officers now attached to the works and required to carry them on should be transferred with the works and should be notified in the Gazette as temporarily transferred to the establishment under the Inspector-General, Military Works.

This course has been followed in the case of the Bombay Presidency and other administrations in which a transfer of works has taken place. The transfer of subordinates and other establishment between the Public Works and Military Works Departments should be arranged with the Inspector-General.

3. I am also to request that this office may be informed at an early date of the grants under Works, Repairs, Establishment and Tools and Plant that will be transferred to the Inspector-General of Military Works under these instructions.

Order—dated 23rd January 1890, No. 216 W., Public Works.
