GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From M.R.Ry. S. SRINIVASA RAGHAVAIYANGAR, Avergal, Dewan Bahadur, Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 14th January 1890, G. No. 241.

I have the honor to bring to the notice of Government that the standard design for a Sub-Registrar's office sanctioned in G.O., dated 21st July 1888, No. 2230 W., does not provide sufficient accommodation for the clerks employed in the larger offices and consequently requires modification.

2. The design provides for the Sub-Registrar and clerks a room measuring 25′ 6″ by 12′, of which 12′ × 9·6′ is occupied by the dais on which the Sub-Registrar sits, 12′ × 6′ by the entrance into the office and the passage to the record-room, and 12′ × 10′ the space allotted to the clerks.

3. The clerks in most of the offices have been provided with chairs and tables of the dimensions noted in the margin. It will thus be seen that the space allotted to the clerks can barely hold four and conveniently hold only three tables and an equal number of chairs.

Tables, 3½ × 2¼. Chairs, 2 × 2.

4. In some of the offices registration work has so increased that five and six clerks are now employed. The Chidambaram Sub-Registrar's office, for which the Government has sanctioned the construction of a new building in G.O., dated 22nd September 1887, No. 2186, Judicial, is a case in point. There are five clerks permanently and one clerk temporarily employed in this office, and the Registrar has represented to me the utter inadequacy of the accommodation provided in the standard plan in accordance with which the Superintending Engineer has framed his estimates for the building.

5. In these circumstances, I beg to recommend that the standard design be adopted for all offices in which not more than three clerks are or are likely to be employed, and that for all larger offices the standard plan be enlarged so as to provide more space for the clerical establishment. Space of the dimensions 18′ × 10′ will probably be sufficient.

R. No. 143, Judicial.

Approved and transferred to the Public Works Department for the necessary action.

(Signed) A. G. CARDEW,
Under-Secretary.

3rd February 1890.

Memo. No. 372 C.

With reference to the Proceedings marginally noted, the undersigned has the honor to inquire whether it is desired in the Judicial Department that a revised type design should be issued for Registrars' offices.

No. 1333 W., dated 7th May 1888.
No. 2230 W., „ 21st July „

2. This inquiry is made with reference to the proposed new office for the Registrar at Masulipatam, an estimate for which, amounting to Rs. 6,540, was sanctioned in G.O., No. 1108 W., dated 11th May 1885. The plan sanctioned in that Government Order was drawn upon the lines of the type design issued with G.O., No. 120 W., dated 14th January 1882, and funds for the work have been provided in the Provincial budgets of the current year and of 1890-91, but the building has not yet been commenced because the Superintending Engineer considered that a revised type design would be issued in accordance with the terms of G.O., No. 1333 W., dated 7th May 1888.

3. The standard plans for Sub-Registrars' offices circulated with G.O., No. 120 W., dated 14th January 1882, have been superseded by the designs issued with G.O., No. 2230 W., dated 21st July 1888, but no new designs for Registrars' offices have been drawn up as it was thought that the type designs for Sub-Registrars' offices issued with the last quoted Government Order would meet all requirements.

4. Orders are now requested whether the construction of the office for the Registrar of Masulipatam may be proceeded with on the plan and estimate sanctioned in May 1885, or whether the design should be revised; if the latter, whether the standard plan issued with G.O., No. 2230 W., dated 21st July 1888, would be suitable, or whether a revised design providing for a larger building for Registrars' offices is required. There are no other sanctioned estimates for Registrars' offices now before the Public Works Department.

5. Copies of G.Os., Nos. 120 W. of 1882 and 2230 W. of 1888 and of the type designs therein referred to are enclosed for reference.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,
Ag. Joint Secy. to Govt., P.W.D.

21st January 1890.

G.O., dated 17th July 1890, No. 1190, Judicial.

Read—memorandum from the Public Works Department, dated 21st January 1890, No. 372 C., regarding the construction of a Registrar's office at Masulipatam.

Read—the following letter from the Inspector-General of Registration, Madras, dated 3rd July 1890, T. No. 2559.

With reference to the endorsement of Government, dated 31st January 1890, on a memorandum from the Secretary to Government, Public Works Department, dated the 21st idem, No. 372 C., referring for my opinion certain plans for the construction of an office at Masulipatam for the District Registrar of Kistna, I beg to state that, under the proposal to construct central record-rooms in each district, for securing the records of the Sub-Registry offices, larger accommodation will have to be provided for the District Registrars' offices than is provided in the sanctioned design; and the design itself may have to be altered. I therefore request that, pending the disposal of the proposal above mentioned, the construction of an office for the District Registrar of Kistna may be deferred for the present.

Order—dated 17th July 1890, No. 1190, Judicial.

The Inspector-General's letter will be communicated to the Public Works Department.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

ORDER—dated 11th August 1890, No. 2177 W., Public Works.

The construction of an office at Masulipatam for the Registrar of Kistna will accordingly be held in abeyance. The grant of Rs. 6,540 provided for the work in the current year's Provincial budget is resumed and added to the reserve with the Government.

2177/2

2. The Consulting Architect will, in communication with the Inspector-General of Registration, prepare revised type designs for the larger class of Sub-Registrars' offices and for District Registrars' offices.

originally we had separate type designs for Registrars' & Sub Registrars' offices, but they were similar — Owing to defects in design, a revised type was issued for Sub Registrars offices. It will not now do to build a Registrar's office with probably the same defects that condemned the Sub Registrar's.

If a larger building is really needed for a Registrar, we had better refer the question & get it definitely settled. My opinion is that the revised design for a Sub Registrar

× No. 1353 W. of 7th May 1888
No. 2230 W. of 21st July 1888.

With reference to the Proceedings× marginally noted, the undersigned has the honor to enquire whether it is desired in the Judicial Department that a revised type design should be issued for Registrars' Offices.

2. This enquiry is made with reference to the proposed new office for the Registrar at Masulipatam, an estimate for which amounting to Rs. 6540 was sanctioned in G.O. No. 1108 W. of 11th May 1886. The plan sanctioned in that G.O. was drawn upon the lines of the type design issued with G.O. No. 110 W. of 11th January 1882, and funds for the work have been provided in the Provincial Budgets of the Current year and of 1890-91, but the building has not yet been commenced because the Supdg. Engineer considered that a revised type design would be issued in accordance with the terms of G.O. No. 1353 W. of 7th May 1888.

The

3. The Standard plans for Sub Registrars' Offices circulated with G.O. No. 120 W of 14th January 1882 have been ~~suspended~~ superseded by the designs issued with G.O. No. 2230 W of 21st July 1888, but no new designs for Registrars' Offices have been drawn up as it was thought that the type designs for Sub Registrars' Offices issued with the last quoted G.O. would meet all requirements.

4. Orders are now requested whether the construction of the office for the Registrar of Masulapatam may be proceeded with on the plan and estimate sanctioned in May 1885, or whether the design should be revised; if the latter, whether the Standard plan issued with G.O. No. 2230 W of 21 July 1888 would be suitable, or whether a revised design providing for a larger building for Registrars' Offices is required. There are no other sanctioned estimates for Registrars' Offices now before the P.W. Department -

9177/23

5. Copies of G.Os No. 120 W of 1882 and 2230 W of 1888 and of the type designs therein referred to are enclosed for reference -

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Public Works Department, dated 21st January 1890 No. 372 C, regarding the construction of a Registrar's office at Masulipatam.

From the Inspector General of Registration Madras, dated 3rd July 1890 [illegible] No. 2559.

With reference to the endorsement of Government dated 31st January 1890, on a memorandum from the Secretary to Government P.W.D., dated the 21st Idem, No. 372 C., referring for my opinion certain plans for the construction of an office at Masulipatam for the District Registrar of Kistna, I beg to state that, under the proposal to construct Central Record Rooms in each district, for securing the records of the Sub-Registry offices, larger accommodation will have to be provided for the District Registrar's office than is provided in the sanctioned design; and the design itself may have to be altered. I therefore request that, pending the disposal of the proposal abovementioned, the construction of an office

½ office
2 for the District Registrar of Kistna may be deferred
13 for the present.
11

Order:- dated 17th July 1890 No. 1190

The Inspector General's letter will be communicated to the Public Works Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

Letter from the Inspr. Genl. of Registration (No. G. No. 241 d/ 14.1.90)
Endorsement Judicial dept. (" " No. 143 d/ 3.II.90)
Memo in P.W. Dept. (" 372 C d/ 21.1.90)
Proceedings Judicial dept. (" 1190 d/ 17.VII.90)

H.S.
8/8/90

The construction of an office at Masulipatam for the Registrar of Kistna will accordingly be held in abeyance. The grant of Rs 6540 provided for the work in the current year's Provincial Budget is resumed and added to the reserve with the Government.

2. The Consulting Architect

will, in communication with the Inspector General of Registration, prepare revised type designs for the larger class of Sub Registrars' offices and for District Registrars' offices.
