OFFICE OF THE SUPERINTENDING ENGINEER,
6TH CIRCLE.

No. *315 T.J.*

Chief Engineer

Sir,

ENCLOSURES.

The Mammagui sub-division
of the Nagapatan division, being
important has always been under
the charge of an Assistant Engineer,
and when a European officer was
posted to that sub-division, he
used to live in the mission
Bungalow at Mammagui; but
this building is not now available,
and if a European officer is posted
there (which, it is not likely, will
be ^{at a} ~~very distant date~~) he will have to meet
with great inconvenience from want
of quarters. Even Native Assistant
Engineers experience at times great
difficulty in procuring decent

accommodation at Mammurpur,
as already reported by Col. Meade
in his No 1092 of the 5th October/85, 288-940 + 2,410

2. Estimate of Rs 6045 for quarters
for the Sub division officers at the
above place was sanctioned in
G.O No 795 W of 24th March/86,
and the work stands as item
No 68 under class B. Works in
part I of the current year
Budget.

3. Under the circumstances stated
in para I supra, the construction
of the sanctioned quarters is urgent
and important, I have therefore
the honor to request that a sum
of Rs 4000 may be granted at
once for the work, in order that
the collection of materials may
be put in hand -

I have the honor to be

Sir,

Your most obedient Servant

Al Smith Esq
