Unclaimed deposit of
Rs. 67-4-11

Forwarding copy of letter from the Executive Engineer, Bombay, requesting to obtain sanction of Government to credit the — to Provincial Revenue.

No. 182 of 15.1.90 21.12.89

To E.W.

The Executive Engineer in reply to J.D.'s miscellaneous objectionable letter (an extract from which is hereto attached) states that the reason why the sum of Rs. 67-4-11 has been credited to revenue, is that the contractors to whom the amount is due, would not attend the divisional office to receive payment although notices were sent duly registered to them by post.

2. Under the circumstances there appears to be no objection to the procedure adopted by the Executive Engineer.

3. Should the claim be subsequently established, it may be paid with the sanction of Government under note to code para 1823 (standing order No. 381 of 1888)
