manner & is deserving of an increment.
He is in charge of not only the workshop
stores but also of those in the Eastern
Division. He is in charge of famine
tools as well, & all articles manufactured
in the shop pass through his hands
& have to be shown in his books.
His duties are, therefore, very heavy.

and responsible & I strongly recommend

to Rs 50.

H. Apps Esqr
Executive Engineer
Bengal

Respected Sir

I most humbly beg to lay
the following circumstance for your
kind consideration, trusting you will
take a favorable view of the same.

I have been employed in the
Q. P. M. for the last 20 years, 13 years
in the Bengal Works Shop as a 2nd
clerk, and 7 years as the Clerk,
during which period I have given
entire satisfaction to all my superiors.
(Please see my service register).

2nd The pay I draw now is Rs 40
which is very small when compared
with the amount of responsibility I
am placed under, I am in charge of
the Works Shop, a Bullock Cart, and the
average value of the Shikhs (Bullocks)
is about a lakh of Rupees. As a result
I was compelled to furnish in full
amount the very high (in proportion
to my pay) security of Rs 500 according
to the code.

The Clerk of the Bowditch-
workshop, who is a salary of

of Rs 75 and his work is compara-
tively easy, and he is not held
responsible for the work turned
out in the work shop as is the case
here.

It was in 1887 that I had my
last increase of pay from Rs 30 to
40 on the recommendation of Col
S. C. Clarke R.E. for Rs 60, & of Mr.
Purdell Esq for Rs 50, (copy of
the former is herewith enclosed).

Under these circumstances
and in consideration of the increased
responsibility and heavy work
devolving upon me, I beg you will
kindly take my case into considera-
tion and be pleased to recommend
me for an increase of pay.

For which act of kindness
I shall ever feel thankful.

I beg to remain

Sir

Yours truly Elizabeth
